

# Johns Hopkins Carey Business School MS in REAL ESTATE and INFRASTRUCTURE

Full-time format / Part-time format

EDWARD ST. JOHN REAL ESTATE PROGRAM

JOHNS HOPKINS  
CAREY BUSINESS SCHOOL

“Already having a technical degree and real estate development experience, my part-time MSRE degree from Carey helped pull together many aspects of the business and provided a broad perspective on a range of real estate principles. This background, combined with the strong professional networking base and alumni interaction, are an invaluable resource.”

### **Mitch Bonanno**

**MS in Real Estate, 2009**

Senior Vice President, Director of Development  
Vornado/Charles E. Smith

---

*Courses are subject to change.*

"I have worked for Marriott International for many years. The Carey MS in Real Estate and Infrastructure program gave me perspective on real estate beyond my work in the hotel industry. My Carey degree also has broadened my industry perspective well beyond my current role."

**Heather Reichardt, MRICS**

MS in Real Estate, 2008  
Director, Lodging Property Tax  
Marriott International, Inc.

# MS in Real Estate and Infrastructure

The Johns Hopkins Carey Business School MS in Real Estate and Infrastructure program has been a leader in real estate education for 25 years. One of the few graduate real estate programs of its kind to be part of a business school, the MS in Real Estate and Infrastructure program exposes students to multiple disciplines of the field, including investment, development, finance, construction and design, entrepreneurship, planning and sustainability, and capital markets. The curriculum provides our students with greater flexibility and experience in an increasingly competitive and diversified industry.
