“Looking to develop a career in health care, I realized the importance of a solid business foundation. The Carey Flexible MBA has given me an invaluable tool kit, including leadership skills critical to being an effective health care professional.”

Caitlin Joffe
MBA 2015, Concentration: Interdisciplinary Studies
"As an adviser for the U.S. Treasury on international sanctions, I have developed a strong background in international finance. With the Carey MBA experience, I am gaining the necessary understanding of the intricacies of finance within enterprise risk management."

Michael Greenwald
MBA 2017, Concentrations: Finance and Enterprise Risk Management

Flexible MBA

The Johns Hopkins Carey Business School part-time Flexible MBA program is developing a new generation of business leaders who focus on the new ROI, Return on Integrity. The Carey Business School is tackling society’s most vexing problems, including those in four key domains: enterprise risk management, health care management, financial businesses, and real estate and infrastructure. Carey MBA students develop a deep understanding of these key focus areas and so are poised for substantial economic growth and jobs creation.

54 credits
Part-time format
Offered in-person and online
Average completion time of program is 2.5 years
Students can take up to 6 years to earn their MBA

“As an architectural engineer, I had a strong technical background. The Carey MBA gave me the solid business skills I needed. I gained confidence, have a thorough understanding of pro formas and financial spreadsheets, and can make presentations with ease. It’s simple, I would not have been able to transition into my current role with a private developer in New York City without the Carey MBA.”

Sean Flynn
MBA 2014, Concentration: Real Estate and Infrastructure

The Carey Business School is accredited by Middle States Association of Colleges and Schools. The school is in the process of pursuing accreditation through the Association to Advance Collegiate Schools of Business (AACSB).
Our Mission

The Johns Hopkins Carey Business School supports business knowledge development and education through our own initiatives, innovations, and collaborative programs across the Johns Hopkins University. We create and share knowledge that shapes business practices while educating business leaders who will grow economies and societies, and are exemplary citizens.
