An exciting new program designed to develop marketing leaders for the emerging global marketplace
“Core courses stress how and why effective marketing decisions must rest on strategic customer insights driven by qualitative and quantitative data and analytics. Elective courses build the in-depth knowledge and the hands-on skills needed to create and implement targeted marketing programs in today’s rapidly evolving markets.”

Professor Dipankar Chakravarti, PhD
Carey Business School

Be a part of the Johns Hopkins Legacy

As part of the Johns Hopkins University—the first research university in the United States—the Carey Business School is dedicated to creating and disseminating knowledge to solve the world’s biggest problems. The Carey Business School prepares business leaders to solve the most pressing issues in the fields aligned with the most promising trends in career growth.

Marketing at the Carey Business School

The MS in Marketing program is led by Johns Hopkins University world-class faculty and experienced practitioners in the field of marketing. The program emphasizes strategic and analytical topics needed to generate insights and solutions to today’s most pressing marketing challenges. The program’s intense curriculum delves into many aspects of strategic planning, marketing research, and consumer behavior, challenging students to consider theoretical, applied, and leadership perspectives. Students are able to apply what they learn in the classroom and are prepared to tackle issues large corporations, start-ups, and nonprofit organizations face.

Learn marketing skills that are applicable immediately

Carey students are regularly engaged outside the classroom through speaker forums and seminars that feature senior executives and renowned thought leaders. These prominent guest lecturers provide authentic views on global business and marketing leadership from a variety of industries.
