B-Involved Guide for Summer Intensive

The B-Involved online student platform will be your go-to place for optional events during the Summer Intensive. Once you are a part of the system, you’ll be able to view and RSVP for events, but you can also use the discussion forum with your fellow students, and it is a quick way to look at news and alerts. It’s the best way to stay connected with the Summer Intensive online!

Getting Started

If this is your first time on B-Involved, please visit the following site:

https://jhucarey.collegiatelink.net

In the top right hand corner, you should see a link to “Log In”. You will then be redirected to a JHU login page. Please enter your “JHED ID” and password (this is the same ID and password that logs you into your JHU email account). After logging in, you should see your personal profile. Here you can add a profile picture, change basic information, and connect to your social media.

Once you’re happy with your profile, visit the link to your respective campus site to join your organization:

Baltimore students: https://jhucarey.collegiatelink.net/organization/SummerIntensiveHE2015
DC students: https://jhucarey.collegiatelink.net/organization/SummerIntensiveDC2015

Click the ‘Join Organization’ button (which should be near the top of the screen, almost in the center). After clicking this button, your request to be a member has been submitted. You will receive an email when your membership is approved. Then you can log back into B-Involved to write on the discussion wall and sign up for optional events.
Discussion Wall and News Feed

On the home page for each organization, there is a section labeled “Discussion Wall” and a section labeled “News Feed”. These sections are in the middle of the page near the bottom.

In the “Discussion Wall” section, you can type messages for the entire Summer Intensive group to have conversations. The “News Feed” section is for the administration to remind you of important things going on with the Summer Intensive. Please be sure to check these to stay connected!

Events

After you have been approved as a member of the Summer Intensive, you can visit the links listed above to see your campus’ optional events. Once you are on the organization page, click on the “Events” link on the left to view the list of events that you can attend. If you would like to go directly to the events page, please visit:

Balt. Students:  https://jhucarey.collegiatelink.net/organization/SummerIntensiveHE2015/events
DC. Students:  https://jhucarey.collegiatelink.net/organization/SummerIntensiveDC2015/events

Each campus has three events that you can attend. Please click on any events that you are interested in. Once you are on an event page, scroll down and at the bottom right there will be a section called “RSVP”. Please indicate whether or not you are attending, and click on the button labeled “RSVP”. NOTE: Please disregard the “Guests” section.

If you RSVP that you are attending, but circumstances change and you can no longer attend, please revisit this event page and change your RSVP (in the same place on the page). We sincerely appreciate students keeping us updated on whether or not they will attend an event, as it courteous and respectful to do so.
