

CAREER ADVISORY COMMITTEE

The Career Advisory Committee partners with and serves as a resource for the Carey Career Development Office (CDO) to discuss industry trends and prepare Carey's future business leaders. Join the committee and help improve The Johns Hopkins Carey Business School by advancing our students' readiness to join a competitive, global employment market.

WHAT ARE THE BENEFITS?

- **Connect:** Build relationships, shape career development for current students, and discuss best practices and recruiting trends among other committee members.
- **Contribute:** Influence program development and student preparation for the job market as the Carey Business School grows and evolves.
- **Acknowledgment:** Receive recognition at our annual Employer Appreciation Event and on the Carey Career Development webpage.
- **Promote:** Increase visibility of your organization's brand on campus by participating in CDO events. Your company will receive booth discounts at our annual Career Fair (March 29, 2019).
- **Expand:** Deepen your knowledge of the Carey Business School and The Johns Hopkins University, America's oldest research institution.
