Committee name IT Strategic Planning for Carey Business School  
Dates of appointment September 15, 2013 - March 1, 2014  
Administrative task Committee Member  
Primary duties As a member of this committee, I was assigned to do industry research to find out the Educational Information Technology that are available in the market and are used by different schools. Also I was asked to collect our (Carey Business School) faculty members' opinions on what they need. Therefore, I designed a set of questions and sent them to our faculty to solicit their inputs.  
Also, we used to meet every other week (from September to March) with other committee members to review and discuss about the content of our plan.
