The Johns Hopkins Carey Business School is accredited by the Association to Advance Collegiate Schools of Business, the world’s leading authority on the quality assurance of business school programs.
“I wanted to pursue getting a master’s degree to gather resources and study where modern health care was going ... I chose Carey for the rich research opportunities, case studies, and professional access to learn more than my particular health state system could offer.”

Corbin Catmull  
MS in Health Care Management ’19  
Associate Director of Clinical Operations, Optum
