

# ONLINE FLEXIBLE MBA

Designed to fit the demanding schedules of the working professional, our online format allows you to customize your coursework to fit your personal and professional obligations while gaining business skills to immediately apply back to real-world challenges.

» **More information:** [carey.jhu.edu/flexible-mba](http://carey.jhu.edu/flexible-mba)

## Curriculum

*Tailor your Carey coursework your way: synchronous (real-time) or asynchronous (any time) learning—or any combination of the two.*

### **Business foundations** (20 credits)

- » Accounting and Financial Reporting
- » Business Analytics
- » Business Communication
- » Business Microeconomics
- » Corporate Finance
- » Leadership and Organizational Behavior
- » Marketing Management
- » Operations Management
- » Statistical Analysis
- » Strategic Management

### **Business electives** (34 credits)

You must earn 34 elective credits to graduate. You may earn up to three specializations using these elective credits, but you are not required to earn a specialization. You are welcome to take any elective courses you like. Specializations are simply a way to help organize your electives by content area. Elective courses may count toward more than one specialization, when applicable.

#### **MBA specializations**

- » Business analytics and risk management
- » Digital marketing
- » Entrepreneurial marketing
- » Entrepreneurship, innovation, and technology
- » Financial management
- » Health care management, innovation, and technology
- » Investments
- » Public and private sector leadership

## IN-PERSON EXPERIENCES OFFERED\*

### **Residencies:**

Spend two to three days at our Harbor East location for a residency in Business Communication, Negotiations, or Leadership.

### **Accelerated Electives:**

Complete an elective in just three full days at our Harbor East location (and potentially Washington, D.C. and offsite) with topics including negotiations, effective teaming, and more.

### **Global Immersion:**

Learn more about the most pressing challenges facing international businesses today on a 10-day trip to Peru or Germany.

### **Leadership Development Expedition:**

Develop your capacity for leadership and build a deep understanding of your own strengths and contributions as a leader in a high-performing team through faculty-led expeditions to Norway or Belize.
