

ACADEMY FOR TRANSFORMATIVE HEALTH CARE LEADERSHIP

Program Overview

The Johns Hopkins University School of Medicine and Carey Business School introduce the Academy for Transformative Health Care Leadership, an innovative new Executive Education program. This Academy equips the next generation of executive leaders with the essential skills required to elevate the health of the population and navigate the complex landscape for organizational and personal success.

Led by Johns Hopkins experts in health care leadership and the business of health care, the program includes two three-day residencies at the Carey Business School campuses in Baltimore and Washington, DC, along with virtual learning experiences, group leadership coaching and networking opportunities.
