Our Mission

The Johns Hopkins Carey Business School supports business knowledge development and education through our own initiatives, innovations, and collaborative programs across the Johns Hopkins University. We create and share knowledge that shapes business practices while educating business leaders who will grow economies and societies, and are exemplary citizens.

Introduction

The Johns Hopkins University

Established in 1876, the Johns Hopkins University was the first American university dedicated to advanced study and scientific research. Today, Johns Hopkins continues as a leader in teaching, research, and community service and is the single largest university recipient of research and development funds from the federal government. There are 10 divisions within the university.

The Johns Hopkins Carey Business School’s faculty, administrative staff, and many of its programs are located in Baltimore. Programs are also offered at the Washington, D.C. campus, as well as online.

The Krieger School of Arts and Sciences and the G.W.C. Whiting School of Engineering are based on the Homewood campus in north Baltimore. The School of Education houses its central administration and some programs in the Homewood Campus’ Education Building. Additional campus facilities are in Columbia and Montgomery County. The School of Medicine, Bloomberg School of Public Health, and School of Nursing occupy a campus in East Baltimore, along with the Johns Hopkins Hospital, a separate but closely allied institution. The Peabody Institute, one of the nation’s leading professional schools of music, is also located in Baltimore; the Paul H. Nitze School of Advanced International Studies is in Washington, D.C.; and the Applied Physics Laboratory is in Laurel, Maryland. Academic campuses overseas are in Nanjing, China; Bologna, Italy; and Singapore.

The Johns Hopkins Carey Business School

The Johns Hopkins Carey Business School brings to the field of business education the intellectual rigor and commitment to excellence that are the hallmarks of the Johns Hopkins University. True to the traditions of the university of which it is a part, the school’s approach is original and transformative. It offers a uniquely humanistic and multidisciplinary model of business education and research, tapping the rich resources of faculty and programs from the other great divisions of the university—the Schools of Medicine, Public Health, Nursing, Engineering, Advanced International Studies, Arts and Sciences, and Education.
Nimble, engaging, forward-thinking, and responsive, Carey School graduates are not just business leaders but global citizens who understand and respect the interconnectedness of business and society and the potential of innovative thinking and sustainable strategies to change lives, communities—the world—for the better.

Carey Business School students gain a sound education in business functions and fundamentals, and a deep understanding in one or more key sectors critical to economic growth and job creation: health care management, financial businesses, real estate and infrastructure, and enterprise risk management.

Through programs that combine extensive theory with a wealth of work-world experience, Carey students learn from nationally recognized researchers and leaders in their fields. Faculty are a dynamic blend of academic experts and practitioners drawn from leading corporate, government, and nonprofit institutions, such as Bank of America, Deloitte & Touche LLP, Fannie Mae, NASDAQ, Northrop Grumman, the U.S. Treasury, Wells Fargo, and the World Wildlife Fund. Carey students represent a diverse mix of prominent national and international employers, including Black & Decker, the U.S. State Department, Ernst & Young, IBM, and NASA.

By linking this focused business education to urgent social issues—e.g., health, security, infrastructure, education, environmental sustainability, population, and poverty—the Johns Hopkins Carey Business School endeavors to improve lives on a global scale, by producing leaders to tackle not only today’s most difficult challenges, but those of tomorrow as well.

**Curriculum**

Current academic programs include the Johns Hopkins Global MBA (full-time), and the Flexible MBA, designed to accommodate the needs of working professionals.

Also offered are a wide range of additional MBA programs (in collaboration with other Johns Hopkins schools) in areas such as government, biotechnology, public health and design leadership (offered in collaboration with Maryland Institute College of Art). Specialized Master of Science degree programs are offered in enterprise risk management, finance, health care management, information systems, marketing, and real estate and infrastructure, as well as a variety of graduate certificate programs.

**Academic Advising**

Academic Advisers are available to offer support and direction as students navigate their experience at the Carey Business School. By consulting with academic advisers throughout their degree or certificate programs, students can connect to available resources, ease the registration process, ensure conformity to program curricula and regulations, select course work to best meet career or professional goals, and stay on track for timely completion of their academic program.

Each student is assigned an academic adviser upon acceptance of admission to an undergraduate or graduate program. Advising may be done in person, by phone, via skype, or by email.

**When Students Should Seek Advising**

All students should connect with their assigned adviser at least once per semester.

New students are expected to meet with their assigned adviser for an introductory advising session prior to registering for class for the first time. To plan courses in their concentration, students should schedule appointments with advisers prior to registering for advanced-level graduate coursework.

Undergraduate or graduate students on academic probation or suspension are required to meet with an adviser prior to re-registration.

Any student seeking special requests such as grade appeal petitions, transfer of credit, academic program withdrawal, or leave of absence* must first contact his or her academic adviser who will guide each process.

*All students who are absent for more than one calendar year and who did not obtain an approved Leave of Absence will be required to apply for readmission through the Office of Admissions before being permitted to re-enroll.

**Academic Progress**

**Undergraduate Students**

Undergraduate students at the Carey Business School must have a minimum 2.00 grade point average to graduate and must maintain at least a C average (2.00 on a 4.00 scale) to remain in good academic standing. Students receive credit for courses in which they receive grades lower than a C, except the F grade which does not earn any credits. Students must repeat any required course in which they receive an F (please refer to Repeating a Course under the Grading Policy for further details).

Undergraduate students will be placed on academic probation if their cumulative grade point average falls below 2.00. Grades will be reviewed for academic progress at the end of each semester. Students whose cumulative GPA falls below 2.00 must meet with their advisers to discuss resources such as tutoring or workshops so that they can raise their GPA.
to assure continued progress toward graduation. A Probation Hold will be placed on the student record for any undergraduate student with a cumulative GPA below 2.00. Students will be removed from academic probation when their cumulative grade point average reaches 2.00.

Students on academic probation who do not raise their cumulative grade point average above 2.00 by the completion of the following semester of enrollment may be suspended. After a period of one semester, academically suspended students are required to meet with their academic advisers and may then submit a written petition for reinstatement on a probationary basis.

A student will be dismissed when a) it is not possible for a student to attain the required 2.00 GPA within the school’s academic policies, and/or b) when a student fails the same course a second time.

**Graduate Students**

Graduate students at the Carey Business School must have a minimum 3.00 grade point average to graduate and must maintain at least a B average (3.00 on a 4.00 scale) to remain in good academic standing. Students receive credit for courses in which they receive grades lower than a B, except the F grade which does not earn any credits. Students need to repeat any required course in which they receive an F (please refer to Repeating a Course under the Grading Policy for further details).

Graduate students will be placed on academic probation if their cumulative grade point average falls below 3.00. Grades will be reviewed for academic progress at the end of each semester or for one-year programs at the end of each term. Students whose cumulative GPA falls below 3.00 must meet with their advisers to discuss resources such as tutoring or workshops so that they can raise their GPA to assure continued progress toward graduation. A Probation Hold will be placed on the student record for any student with a cumulative GPA below 3.00. Students will be removed from academic probation when their cumulative grade point average reaches 3.00.

Students on academic probation who do not raise their cumulative grade point average to 3.00 by the completion of the following semester, or following term if enrolled in a one-year program, may be suspended. After a period of one semester, academically suspended students are required to meet with their academic advisers and may then submit a written petition for reinstatement on a probationary basis.

A student will be dismissed a) when it is not possible for a student to attain the required 3.00 GPA within the school’s academic policies, and/or b) when a student fails the same course a second time.

*Note: These policies are for determining satisfactory academic progress. Please review the Financial Aid section of this handbook to determine the standards for satisfactory progress for eligibility to receive or continue to receive financial assistance.*
Academic Standards

Johns Hopkins University and the Carey Business School expect the highest academic standards from its students. The awarding of degrees and certificates is based upon satisfactory completion of all degree/certificate requirements with student performance that meets the expectations of the faculty, as well as compliance with University and School regulations. The Academic Council of the Carey Business School reviews all student applications for graduation and makes recommendations for degree/certificate conferral to the president of the University.

The university does not guarantee the awarding of a degree or certificate to students enrolled in any academic program. Any breach of academic standards may result in disciplinary actions against the student(s) involved. Please see the Honor Code section for an overview of grievance and due process procedures.

Admissions

Students seeking admission to a degree or certificate program must submit an online application and all required application documents outlined on the Carey Admissions website at carey.jhu.edu/admissions, as well as the non-refundable application fee. Materials submitted as part of the application process will not be returned to the applicant. If an applicant does not waive his/her rights to the recommendation letter submitted on their behalf, he/she may request one single copy of each letter be emailed to the student (one time request only). OR, the student can send a self-addressed, postage pre-paid envelop to the Admissions Office to request a single copy.

Johns Hopkins Carey Business School
Office of Admissions
100 International Drive
Baltimore, MD 21202

Admission requirements (e.g., standardized test scores) vary by program. Applicants are encouraged to contact the Office of Admissions or visit carey.jhu.edu/admissions to determine specific admission criteria, suitability of prior degrees, or certification requirements for their desired programs of study. Students who provide fraudulent or misleading information by omitting relevant details during the admission process, or falsifying information will face disciplinary action to include withdrawal of the application or dismissal from the program. If fraudulent or misleading information is discovered after admission and enrollment, admission may be revoked and students removed from classes without a refund for tuition paid.

Applicants interested in admission to the Johns Hopkins Carey Business School may apply to only one master’s program and/or certificate at a time and cannot file multiple applications concurrently to Carey. Once a decision has been made and released, if interested, applicants
can file additional applications to other programs at Carey. If denied admission, applicants cannot apply again to the same program for the same enrollment term. Denied applicants are not eligible to reapply until the next start period for that particular program. Full-time programs begin once a year in August; part-time programs begin in fall and spring and select part-time programs begin in the summer.

For full-time programs the Carey Business School reviews applicants by round (i.e. round 1, 2, and 3). Application deadlines and Carey decision dates are clearly indicated on the general Carey website under the Admissions section (carey.jhu.edu). Part-time programs at Carey use a rolling admissions process and files are reviewed upon receipt prior to the stated deadline. Application review times vary and are dependent upon the date and time an applicant completes the application file with all required documents. To expedite the process, applicants should utilize an E-transcript service to have official copies of undergraduate and/or graduate transcripts (or course-by-course evaluations for international students) sent before or at the time of submission of their application. E-transcript options include iwantmytranscript.com/jhucbs, and exchangeparchment.com. Paper transcripts will only be accepted for applicants coming from institutions that do not offer an E-transcript option. Please visit carey.jhu.edu/admissions for more details.

Academic records (transcripts, diplomas, and degree certificates) for degrees earned from non-U.S. institutions must be evaluated by an authorized credential evaluation agency (not the Office of Admissions). Applicants who earned credits at a non-U.S. institution without earning a degree should submit an official English translation of the transcript from the institution where those credits were earned in lieu of a course-by-course evaluation. See the International Credential Evaluation section of this catalog.

All applications to the Carey Business School should be submitted online at carey.jhu.edu/admissions/application-process. Paper applications are no longer accepted. Electronic documents are required and will expedite the process. If hard copy documents must be sent, mail to:

Johns Hopkins Carey Business School
Office of Admissions
100 International Drive
Baltimore, MD 21202

To be eligible for federal financial aid, federal regulations require that students be accepted unconditionally into a 15-credit (or more) degree or certificate program, and maintain an enrollment status of at least half-time each semester. Note that conditionally admitted students who are taking the prerequisite credits necessary for full admission to their program may be considered for limited federal loan assistance for one or two semesters depending on the number of prerequisites required. Loans may not exceed tuition charges for the specific number of required credits, registration or course fees, and a book allowance.
Master’s Programs

Applicants must submit an application for admission, the non-refundable application fee, and all other required supporting documentation (such as letters of recommendation, essay and optional resume), along with official transcripts from all post-secondary colleges or universities attended. Materials submitted to Admissions will not be returned to the applicant. Applicants to graduate degree programs must hold a bachelor’s degree from an accredited college with a minimum cumulative grade point average of 3.00 on a 4.00 scale.

Academic records from non-U.S. institutions must be evaluated by an authorized credential evaluation agency (see list in the International Credential Evaluation section of this catalog for suggested agencies). Additionally, the admission process may include an interview. Some programs may require an in-person interview (GMBA) while other programs will allow for Skype interviews or interview videos uploaded with the application.

Additional materials are required for international student admission. Please see the International Student Admission Policy section for details.

Certificate Programs

Applicants to graduate certificate programs must hold a bachelor’s degree from an accredited college or university recognized by the U.S. Department of Education with a minimum cumulative grade point average of 3.00 on a 4.00 scale. Additional application requirements vary by certificate program. Students have three years to complete the certificate.

Graduate Degree Requirements

Once admitted to a graduate degree program in the Carey Business School, students must complete all coursework at Johns Hopkins University, except with prior written approval from an adviser. Exceptions are rare, but will be considered on a case-by-case basis. Graduate students enrolled in master’s programs have six years to complete their degree. For information regarding specific degree requirements for each graduate program, please refer to the detailed program descriptions online.

State-Specific Authorization for Online Courses

State authorization is subject to change according to the states in which the Johns Hopkins Carey Business School is authorized to recruit for online programs. Currently, Carey Business School is authorized to recruit in most states for online programs. Applicants should, however, contact carey.admissions@jhu.edu if there are questions regarding your particular state.
Verification of Credentials

Accuracy is expected in all documents provided by all applicants. Applicants must not make inaccurate statements, fabricated, or material omissions on their applications, during the interview nor submit any false materials related to or in connection with seeking admission. Violation of this requirement will result in the application being rejected or withdrawn from consideration.

It is the policy of the Carey Business School to verify all documents and credentials in support of an application. Carey Business School staff and university officials reserve the right to verify the authenticity of any information submitted or provided during the course of the admission process. Essays and letters of recommendation may be traced back to their origin in order to establish authenticity.

If a violation is discovered during the application process an applicant will be withdrawn from admission consideration. If a violation is discovered after an applicant has been admitted the offer will be rescinded and the student is no longer eligible for enrollment—even if the student has already enrolled and is currently making progress in an academic degree or certificate program. A degree or certificate conferred by the Johns Hopkins Carey Business School may also be rescinded if admission to the School was previously offered based upon falsified or inaccurate information. The application fee is nonrefundable.

Transfer of Undergraduate Credits: A maximum of 60 semester hours (90 quarter hours) will be applied to the undergraduate degree program in the Carey Business School, including credits by examination. Quarter-hour courses will be converted to semester hours. The undergraduate program at the Carey Business School does not award life experience credits. Note: Financial aid students in undergraduate programs who borrow student loan funds must be awarded “freshmen-level” loans until their transfer credits have been evaluated and accepted so their applicable grade-level for aid eligibility can be determined and documented, in accordance with federal law.

Transfer of Graduate Credit

The maximum number of credits earned at another regionally accredited college or university that may be transferred with replacement into a graduate degree program in the Carey Business School in no case can exceed four credits or two classes. Any request for transfer credit must be submitted within the first semester. Full-time degree programs at the Carey Business School do not allow transfer credits.

The maximum number of credits earned at another school within Johns Hopkins University that may be transferred into a graduate degree program in the Carey Business School in no case can exceed four credits or two classes as long as each course transferred counts toward one two-credit course. Dual degree students may not apply transfer credits from other divisions of Johns Hopkins towards completion of their Carey degree. All credits earned towards the Carey portion of a dual degree must be earned in the Carey Business School.
Students in full-time academic programs at other Johns Hopkins University divisions may take classes at the Carey Business School as a graduate level, non-degree seeking student. These interdivisional requests for enrollment will be processed the week before the semester starts to allow degree-seeking students ample time to register for classes. Only six credits earned as a non-degree student may be counted toward an MBA, MS or Graduate Certificate from the Carey Business School.

**International Student Admission Policy**

**Demonstration of English Language Proficiency by Non-native-speaking Applicants**

As one measure of potential for academic success while a student in the Carey Business School, international applicants must demonstrate proficiency in both written and spoken English.

To demonstrate proficiency, applicants must submit either official TOEFL (Test of English as a Foreign Language) scores or official IELTS (International English Language Testing System) scores if the undergraduate degree has not been earned from an accredited institution in the U.S. (or Canada). The preferred minimum TOEFL requirement is 600 (paper-based), 250 (computer-based), or 100 (internet-based). The TOEFL code for the Johns Hopkins Carey Business School is 0834. The preferred IELTS score is 7.0. Applicants will generally be required to provide additional evidence of English proficiency in their applications.

The admissions committee may determine that enrollment in business English courses is necessary for some students who are otherwise highly qualified. These students will be offered conditional admission and will be required to enroll in these non-credit courses concurrent with their regular academic courses until they qualify for a waiver by reaching a certain level of proficiency. For more information on these courses, please visit carey.jhu.edu/students/student-resources/english-language-program.

The PTE Academic exam may also be used to satisfy the language proficiency requirement beginning in fall 2018. Contact the Admissions Office for further details, carey.admissions@jhu.edu.
F-1 Visa Applicants

An international applicant requiring a student (F-1) visa to attend school must obtain admission to a degree program well in advance of the start of the semester. The Carey Business School does not issue I-20 forms for provisional acceptance to a degree program, nor does it issue an I-20 for any certificate programs. I-20s are issued, however, for conditional admissions, as well as for Master’s degree programs. The application and other required admission deadlines for international students who require a student (F-1) visa and who plan to attend the Carey Business School are April 1st for the fall semester and October 15th for the spring semester.

International applicants needing an F-1 visa are strongly encouraged not to wait until the final deadlines to apply. If applications and other required documents are not received on or before these deadlines, the application will be considered at the start of the next semester. For program application deadline dates, visit carey.jhu.edu/admissions/deadlines/.

After receipt of the acceptance letter from the Carey Business School and payment of the non-refundable enrollment deposit, international students will be sent an email from the Office of International Services (OIS) with information on the steps required to receive an I-20 form. The email will be sent to the address listed in the student’s application in Apply Yourself. This message will be sent the first week of March or, if accepted later, within two weeks of payment of the enrollment fee. If the information is not received, please contact OIS at ois@jhu.edu.

Before an I-20 is issued, the international student is required to submit financial documentation to the OIS via iHopkins, per the instructions. I-20s will not be issued until the student has accepted the offer of admission, the enrollment fee has been paid, and all required documents have been uploaded to iHopkins.

An overview of the process and the documentation required can be found online at ois.jhu.edu/Immigration_and_Visas/For_New_Students_and_Scholars/For_Students/

Specific figures on the estimated expenses and the amount of funding required in order to be issued an I-20 can be found here: ois.jhu.edu/Immigration_and_Visas/For_New_Students_and_Scholars/For_Students/Carey_Expenses.pdf

International applicants who hold visa types other than an F-1 visa and who wish to enroll as part-time graduate special (non-degree) students should follow the application directions in this section. International graduate students attending other institutions in student (F-1) status during the regular academic year are also welcome to enroll as graduate special (non-degree) students during the summer. For more information, contact the Office of Admissions at 410-234-9220 or carey.admissions@jhu.edu, or International Services at 410-234-9282, ois@jhu.edu.

Note: Financial aid is not available for international students.
International Credential Evaluation

Applicants who hold degrees from non-U.S. institutions (with the exception of Canada) must have their academic records evaluated by an authorized credential evaluation agency (see list of approved agencies below) before they can be considered for admission to a degree or certificate program. For degrees earned at non-U.S. institutions, an official course-by-course evaluation assessing the degree, the overall grade point average and the courses taken, should be submitted. Final official course-by-course credential evaluations must be the equivalency of a U.S. degree and from a regionally-accredited university or college in the United States. Please do not send official foreign transcripts. Credential evaluations are used to assess a student’s coursework against the U.S. grading system and to evaluate courses for possible transfer credit. In addition to submitting official academic records to the Carey Business School, applicants should make arrangements with an authorized credential evaluation agency for an evaluation of the degree, an assessment of the overall grade point average, and a course-by-course evaluation.

Fees and required documentation for evaluations may vary. Applicants are encouraged to contact the agency directly for additional information. The following agencies are authorized:

Changing Degree Program

Degree- or certificate-seeking students in the Carey Business School who wish to change to another degree or certificate program within the school must submit a written request to the Office of Admissions at carey.admissions@jhu.edu. A new application may be required. Students may only request to change into a new program during the open admission cycle for that program. Students are not automatically admitted to the programs; their requests must be approved by the Office of Admissions. If selected for admission into the new degree program, students must formally withdraw from the first program through their adviser.

Note: Financial aid recipients must notify the Financial Aid office when changing or adding a degree or certificate program. Students in F-1 status must notify the International Services office for a new I-20 to reflect the change in program. Students using VA benefits must notify the VA Certifying Official in the Registrar’s Office when changing or adding a degree or certificate.

Second Degree Option

Current Carey Business School Students may pursue a second degree in a number of academic programs. Current Master of Science (MS) students at Carey who wish to obtain a second MS degree at Carey must complete a minimum of 24 credits in as few as two semesters. Current MS students, who wish to obtain an MBA degree as the Second Degree Option, must complete a minimum of 36 credits in as few as three semesters. Current MBA students who wish to obtain a Master of Science degree complete a minimum of 18 credits in as few as two semesters.

Admissions requirements for the second degree:

- Completion of Second Degree Option application (application fee is waived)
- New personal essay (maximum 500 words)
- 1 letter of recommendation
- Updated resume
- Carey Business School transcript
- Admissions interview requirement is waived for current Carey students

Students cannot begin work on their second degree credits until they have graduated with their first degree. Students cannot earn a second degree in an area of concentration for their first degree.

Note: Any current student who was conditionally admitted to Carey must complete their conditional requirements as noted in their admission letter (such as submission of final transcripts with degree conferred or credential evaluation showing equivalency of a U.S. bachelor’s degree.)
Adding a Certificate

Graduate students

Students who are currently enrolled in a degree program at the Carey Business School and wish to add a certificate must submit a written request to Office of Admissions. Please view the Graduate Programs section to determine specific requirements. Applications to add a certificate must be submitted during the first semester of enrollment in the Carey Business School degree program.

MS in Finance and MBA students may add either the Graduate Certificate in Financial Management or the Graduate Certificate in Investments, but not both.

Note: Financial aid recipients must notify the Financial Aid office when changing or adding a degree or certificate program. Those in F-1 status must notify the International Services office for a new I-20 to reflect the change in program. Students using VA benefits must notify the VA Certifying Official in the Registrar’s Office when changing or adding a degree or certificate.

Inactive/Deactivated Certificate or Degree Applications

If it has been longer than one year since a student was admitted and the student did not enroll at the Carey Business School during that time, a new application and all supporting documents must be submitted.

Admission to other Schools of the University

Carey Business School students who wish to transfer to one of the other schools in the university are required to submit an admission application to that school. Documentation submitted to the Carey Business School will not be forwarded to any other school in the university. Admission to the Carey Business School establishes no claim or priority for admission to any other school in the university.

Deferring Admission

Admitted students must accept the offer of admission and pay the non-refundable enrollment deposit prior to requesting deferral. Once the offer of admission has been accepted and the enrollment fee has been paid, students must submit a written deferral request to carey.admissions@jhu.edu and a deferral request form will be sent back to the student. Once the completed form has been received and processed, the deferral approval will be emailed back to the student. The offer of admission is only valid for a maximum of one year. Scholarships are not deferrable—all scholarship recipients will be reconsidered for a scholarship for the next year.
**Conditional Admission**

An applicant may be admitted on a conditional basis pending the completion of clearly defined conditions stated in their offer of admission letter. These conditions may include: official transcripts with degree conferred, official credential evaluation with degree conferred, the completion of MBA Math or other requirements.

To successfully complete the condition, the applicant must fulfill the required condition within the time frame stated in the offer of admission.

Upon successfully meeting all of the conditions, students are notified by email that they are fully admitted to the program to which they have applied. Applicants who do not successfully meet all of the specified conditions within the stated time frame are notified in writing and cannot graduate from the Carey Business School.

*Note: Applicants who have been conditionally admitted are not eligible for financial aid.*

**Alumni**

The Carey Business School alumni network is one of the largest alumni networks within Johns Hopkins University and is composed of an extraordinary group of individuals committed to making an impact in their professions and communities. This commitment is a thread that ties the 200,500 alumni of Johns Hopkins University together, an incredible resource for current students.

The Office of Development and Alumni Relations strengthens the alumni bond with cultural, social, and networking opportunities that connect alumni with one another and with current students. An array of opportunities exists for students and alumni to engage with the Carey Business School community, including industry events, mentorship and other volunteer opportunities, and student organization activities. The Office of Development and Alumni Relations continues to identify and develop engagement opportunities with the support and guidance of the Dean’s Alumni Advisory Board, comprised of 26 alumni leaders from around the globe. By sharing the Carey Business School experience with colleagues, friends, and prospective students, and staying in touch with professors and classmates, students play an integral role in growing the Carey family. To take advantage of everything the Carey Business School alumni network has to offer, please visit [carey.jhu.edu/alumni-friends/](http://carey.jhu.edu/alumni-friends/).

Students may only spend a few years at Carey, but they are alumni for life. From tools like GoHopOnline (an online networking platform for the Johns Hopkins community) to the newly-launched regional alumni clubs, there are a variety of ways to stay connected and be involved. The strength of the Carey Business School and the Johns Hopkins University network is driven by engaged, passionate alumni who are invested in its future success.
The Office of Development and Alumni Relations welcomes all alumni to pursue lifelong engagement with the Carey Business School. Please contact carey.alumni@jhu.edu with any questions, comments, or ideas.

**Athletic Facilities**

Students are encouraged to look for athletic and exercise facility options in their respective residential communities or close to campus if interested. Below is one option available.

**Ralph S. O’Connor Athletic Facility – Homewood Campus**

Carey students may join the O’Connor Recreation Center for a fee of $192/year. Students may opt for the $96/6-month minimum membership to enroll.

Faculty, staff, and non-Homewood students of the university and spouses (with affiliate) are eligible to join. Services include climbing wall, swimming pool, basketball courts, squash courts, personal training, and much more. More information is available at 410-516-4434 or web.jhu.edu/recreation.

**Attendance Policy**

Participation in lectures, discussions, and other activities is an essential part of the instructional process. Students are expected to attend class; those who are compelled to miss class meetings must inform their instructors of the reasons for absences prior to the class meeting. Faculty members often include classroom participation and attendance in student grading and evaluation. Instructors will clearly communicate expectations and grading policy in the course syllabus. Students who expect to miss several class sessions for personal, professional or other reasons are encouraged to meet with their academic advisers to consider alternative courses prior to registration. For religious observances, please see the section below.

In order to maintain the academic integrity of our programs, it is important that any class session that is missed due to weather, instructor illness or other emergency is made up, and that any missed material is covered. However, faculty members have considerable latitude over how the class sessions will be made up and have two options from which to choose. They may:

- Plan and schedule an Adobe Connect/ Blackboard online session.
- Re-schedule the class period to a designated make-up day.

Designated make-up days are scheduled at the end of each 8-week term or semester. Please see the Academic Calendar.
Whenever a class session is cancelled, each faculty member may choose the appropriate make-up alternative for that particular class. The faculty member must notify the students in the class and the Office of Education about which option will be used to make up the class period.

This policy is designed to address those situations when a single class day has been cancelled. Weather emergencies or other events that result in multiple-day cancellations will be handled on a case-by-case basis.

**Religious Observances**

A reasonable religious academic accommodation is a change in the academic environment or in the way academics, tasks or responsibilities are customarily done that enables a student to participate in his/her religious practice or belief without undue hardship on the conduct of Johns Hopkins University's operation.

Students who feel they need such religious accommodations should be guided by the University-wide Religious Accommodations Policy located at [http://oie.jhu.edu/religious-accommodations/](http://oie.jhu.edu/religious-accommodations/).

**Examinations**

A student who needs to miss an examination must notify the instructor in advance. The faculty member will decide if and how the student will make up the missed examination.

**Blackboard**

The Carey Business School uses Blackboard as its course management system, which provides the opportunity to integrate technology into the teaching and learning process. Faculty members manage their own course content within their Blackboard course websites. Enrolled students can access course documents, assignments, and can communicate with instructors and students through the Blackboard course site.

Students enrolled in onsite courses may contact the Blackboard helpdesk at 866-669-6138 or [help.edusupportcenter.com/shplite/jhucarey/home](http://help.edusupportcenter.com/shplite/jhucarey/home).

Students enrolled in online courses may contact the Personal Support Center at 855-270-4436, extension 4, or [carey@personalsupportcenter.com](mailto:carey@personalsupportcenter.com).

**Carey Blackboard Course Site Availability**

As of Summer 2017, Blackboard course sites will remain open to students for 30 days after the term end date. To access a course site after the 30-day period has ended, students must submit a request in writing to the instructor. The instructor reserves the right to grant or deny requests.
Business Cards for Students

Current Carey students pursuing a bachelor’s or master’s degree may order official Johns Hopkins Carey Business School cards through Student Services. (Students may not place an order for business cards before the start of their program.) All business cards have the Johns Hopkins University and Carey Business School name in official typeset. Ordering business cards from another vendor using the Johns Hopkins University or Carey Business School name and/or logo is not permitted. Information about ordering student business cards is available at carey.jhu.edu/life-at-carey/student-resources/student-business-cards.

Career Development Office

The Career Development Office (CDO) is eager to work with students to explore how a degree from Carey can enhance their career. The CDO’s mission statement is as follows:

This is not your typical career office. CDO aims to do the following with students, alumni, and employers:

- Inspire potential
- Innovate ideas
- Empower self-discovery
- Expand knowledge
- Connect people
- Celebrate success

Career coaches are available for one-on-one and group coaching to help with the successful creation and navigation of students’ career paths. In addition to career coaching, the CDO offers workshops, jumpstarts, professional development programs, and high impact experiential adventures in the following areas:

- Self-Discovery
- Industry Insights
- Professional Branding
- Document Creation
- Networking
- Job Search Strategy
- Interviewing
- Career Management

The Career Navigator, CDO’s on-line resource library, compliments the team’s coaching and programming. Carey students and alumni have access to on-line assessments, career planning tools and resources, and webinars to support their career development and job search efforts at carey.jhu.edu/career-development/students/career-navigator.

One useful tool is VMock, a career development platform that combines the power of data science, machine learning, and natural language processing to create personalized, instant, and actionable feedback and benchmarking for students on their resumes. VMock can be found at vmock.com/JHUCarey.
To book an appointment with a CDO team member or browse job postings, students can log onto Carey Compass at carey-jhu-csm.symplicity.com/students/.

Current Students can visit Carey Compass and log in with their JHED ID and password to review and complete their profile and upload resumes using the “My Documents” tab.

Completing a profile in Carey Compass allows the CDO to customize the job postings and development opportunities students receive. Once an account has been created in Carey Compass, students can access tools available exclusively to Carey students, including The Vault Guides, CQ Interactive, Passport Career, and various employer recruitment deadlines. Through the events calendar, students also register for employer and professional development events hosted by the CDO.

When attending CDO events, students should adhere to CDO’s technology, etiquette, dress code, and lateness/cancellation policies. All participants are strongly encouraged to shut off their cell phones and to refrain from using laptops and other mobile devices during CDO programs. Dress for all events is, at a minimum, business casual; please check the dress code for each event. The Career Development Office enforce a 48-hour advance cancellation policy.

Participation in future CDO events is at risk if policies are not followed. Students should arrive early for all events as they begin on time. Doors will close at the start of the event and reopen when the event is finished. Students can call 410-234-9270 or email careerdevelopment@jhu.edu with any questions.

The Career Development Office is also on Twitter at twitter.com/JHUCareyCareer and Facebook at facebook.com/jhucarey.careerdevelopment. Students can also find career-related information on the CDO blog at careythetorch.com/.

Computing Services

Johns Hopkins students have free access to Office 365. Software from Adobe, Microsoft and other manufacturers are available at a discounted price. To take advantage of this and other offers, visit jhu.onthehub.com. (JHED ID and credentials will be necessary to complete the order).

Johns Hopkins also offers free Anti-Virus protection to its faculty, staff and students. Students can download the latest version of Microsoft System Center Endpoint Protection (for Windows, Mac or Linux) at it.johnshopkins.edu/antivirus (JHED ID and credentials required).

The Johns Hopkins University Mobile Computing Program (MCP) aims to provide the best possible technical support environment for students by promoting the purchase of standardized systems. For more information about the Mobile
Computing Program, please visit studentaffairs.jhu.edu/computing/hopkins-technology-store/mobile-computing-program/.

Note: This program is offered through Homewood Student Affairs and support is located on the Homewood campus.

Apple products are also offered through the Johns Hopkins Technology Store store.jhutechstore.com/.

Limited computer support is available at each center and for password issues, through the main Help Desk phone number 410-516-HELP (4357). There are also FAQs available at it.johnshopkins.edu/help.

Course Schedule

The course schedule is available online at sis.jhu.edu/classes.

Disability Support Services

Johns Hopkins University and the Carey Business School are committed to making all academic programs, support services, and facilities accessible to persons with disabilities. To request accommodations, please contact Carey Disability Support Services. Students are encouraged to submit their registration form and documentation as early as possible in order to avoid any possible delay in providing accommodations. For information on policies and procedures, contact Carey Disability Services by email at carey.disability@jhu.edu, by phone at 410-234-9243, or visit carey.jhu.edu/life-at-carey/student-resources/disability-services/.

Email Activation

The Carey Business School communicates with students via their JHU email account, so it is recommended that students create an account as soon as possible. To set up a JHU email account, a JHED account must be created first. The JHED account is the Login ID and password students use for all online services at Johns Hopkins University. To set up both a JHED and a JHU email account, please go to the Johns Hopkins Portal Website at my.jhu.edu/.

To Create a JHED Account

- Click on “First Time JHED User” in the box on the top left of the page.
- Enter your JHED LID in the Login ID (LID) box.
- Follow the prompts to verify your identity using the last 5 digits of your social security number. (If you do not have a social security number, a temporary replacement number has been issued to you. This number is not an U.S.
Government issued social security number, should not be used as such, and is only active within Johns Hopkins University. To locate your temporary replacement number, please refer to the email from Carey.registration@jhu.edu titled “Johns Hopkins Government ID” you received a few days after you paid your deposit. You will need the last 5 digits of this number to authenticate the JHED LID. If you obtain a U.S. Government issued social security number while you are a student, you must submit documentation to the Carey Business School, Office of the Registrar.

- Create a password (minimum of 8 characters with at least 2 alpha and 2 numeric characters).

  Note: Passwords expire after 180 days. You will be prompted to reset your password upon logging in as well as prior to the expiration date.

Johns Hopkins has teamed up with Microsoft to provide Office 365 email for Carey students. All students must activate a JHU email account in order to register for classes. The University sends all correspondences including billing statements and universal announcements to the students’ JHU email accounts, so it is important for students to activate and monitor this email. Redirecting or forwarding automatically your JHU emails to another personal account is not recommended.

Note: Employees of the Johns Hopkins University or Medical Institutions should already have an established email account and do not need to follow the steps outlined below.

To Create an Office 365 Account

- The first time you access your Johns Hopkins Office 365 email account you must go through the University enterprise portal at my.jhu.edu/.
- The first time you log in to the portal, you will need to agree to the Johns Hopkins Office 365 Terms of Service in order to set up the account for use.
- The initial password for your Office 365 email account is MMDD99999, where MMDD are the month and day of your birthday and 99999 is the last five digits of your U.S. social security number (or your assigned temporary replacement number if you are an international student).
- Your email should now be established. It may take an hour for your “Email Alert” to be removed from your record. You can access email at my.jhu.edu/.

To Create an Email Alias

An email alias is a shorter, more user-friendly email address that you may use to send and receive mail to the account of your choice. You can use the alias to deliver mail to
your Office 365 account or any non-Hopkins email service such as Hotmail, Gmail or Yahoo. To create an alias, simply follow these steps:

• Log into the Johns Hopkins Portal website at my.jhu.edu/

• Click on the “myJHED” tab at the top of the page.

• Click on the Email Alias link under Applications and follow instructions. (More information at it.johnshopkins.edu/services/email/Office365/changeAliasRouting.html)

Important Information:

• When creating an alias for your JHU email address, you are presented with the option to forward that alias to another email address. This will not forward official emails from the school.

More information can be found at it.johnshopkins.edu/services/email/office365.

**English for Speakers of other Languages (ESOL)**

English for Speakers of Other Languages (ESOL) classes at the Carey Business School are offered by the English Language Program (ELP). The ELP promotes the value of communicative competence for both academic achievement and professional success. The ELP helps students develop their English communication skills and understanding of American business settings. Classes are interactive, student-driven and in relation to market demands. There is an emphasis on nuances of expression, critical thinking, and intercultural communication skills to serve students in their learning, development, and overall confidence.

Classes focus on using spoken and written English for both business and academic purposes.

**Graduate Classes**

Business English for Graduates I, II, III and IV are available at the Baltimore and DC campuses.

**Undergraduate Classes**

Business English for Undergraduates I and II are available at the DC campus.
Conditional Admission

For students who are admitted to Carey conditionally with an ESOL requirement, enrollment in ELP courses is required for four terms or until a waiver is granted based on student proficiency.

Financial Aid

The Carey Business School offers financial support that includes federal grants and low-interest loans, state grants and scholarships, and school-based scholarships. In general, consideration for financial aid is restricted to students who have been fully and unconditionally accepted into a degree or approved certificate program, enroll half-time or more each semester, and maintain satisfactory academic progress. Students admitted in midterm will become eligible for aid for the next semester. Note that provisionally admitted students who are taking the prerequisite credits necessary for unconditional admission to their program may be considered for limited federal loan assistance for one or two semesters depending on the number of prerequisites required.

The academic year consists of the summer, fall, and spring semesters. The Fall I and Fall II terms together comprise the “fall semester”. Likewise, the Spring I and Spring II terms together comprise the “spring semester.” For the purposes of most financial aid programs, students must maintain at least half-time enrollment in the semester. Half-time enrollment for undergraduate students is at least 6 credits in a semester. Half-time enrollment for graduate students is at least 4.5 credits per semester (which is 3 two-credit courses) for the fall and spring semester, and at least 3 credits in the summer term. Students who enroll in the January intersession will have those credits added to their spring semester credits to determine their enrollment status.

Deferment of student loan repayment is available for students enrolled at least half-time and in a degree-seeking program. The Office of the Registrar certifies loan deferment forms. Students who only need one or two courses to graduate and will enroll less than half-time will go into their grace period as of the date they cease attending at least half-time.

Financial aid is available only for courses that are required of the degree program and for which students will receive credit toward completion of their program.

Courses taken merely for personal reasons or simply so a student can remain enrolled at least half time are not eligible for federal financial aid. Audited courses do not count toward the credits required for financial aid availability.

Students must maintain satisfactory academic progress and credit compliance (half-time enrollment in required courses per semester in which aid is received) to continue...

In addition, to receive federal aid, students must be U.S. citizens or eligible non-citizens; have registered with the Selective Service between the ages of 18 and 26 if male; not owe refunds on federal grants or be in default on federal educational loans; have a valid social security number, and be admitted prior to the first day of classes for the semester in which they receive aid.

International students are encouraged to investigate the possibility of aid through their government or outside agencies. For additional information on scholarships for international students, please visit carey.jhu.edu/admissions/financial-aid/types-of-assistance/private-scholarships/.

To be considered for financial aid, a student must file the Free Application for Federal Student Aid (FAFSA) using school code E02145. Students enrolled in a part-time program should also complete the Supplemental Information Form for Financial Aid. Both forms are available online at carey.jhu.edu/admissions/financial-aid/forms-and-helpful-info. Students need to reapply for aid each year by completing the next academic year’s Renewal FAFSA and Supplemental Information Form, if a part-time student. School-based scholarship applicants also must complete the School-based Scholarship Application and write an essay.

The priority filing date to apply for financial aid each year is April 15 (March 15 for full-time programs). For spring-only applicants, the priority filing date to apply for financial aid is November 1st. Students can apply for financial aid at any time during the academic year (prior to the end of classes), however the application process can take time, and only those who apply by the priority filing date can be assured that their financial aid awards will be ready for the start of classes. Maryland residents who wish to be considered for Maryland state scholarships must complete a FAFSA prior to March 1.

Students must demonstrate financial need as calculated by federal methodology to be considered eligible for all need-based aid, including government-subsidized direct loans. In addition to other documentation, students selected for verification will also have to provide signed copies of their most recent federal tax transcripts and those of parents or spouses (if applicable), including all schedules filed and W-2 forms.

Most financial aid available is in the form of federal student loans. For information on the types of financial aid available, please refer to carey.jhu.edu/admissions/financial-aid/types-of-assistance. For purposes of federal loan eligibility, undergraduates must have earned at least 24 credits toward their degree program to qualify for a sophomore-level loan, and at least 48 credits to qualify for upperclassman loan limits.
Only transfer credits accepted for transfer toward the student’s degree can be counted in determining grade level. New undergraduate students applying for financial aid will be awarded a “freshman-level” student loan until their transfer credits have been evaluated and accepted toward their degree program, so their appropriate “grade-level” for financial aid eligibility can be determined.

Financial aid awards disburse to the student account on the first day of the semester for students whose financial aid files are complete and awarded. When aid from all sources exceeds the tuition and fees charged by the School, the Student Accounts Office will process a refund of any credit balance remaining on the student’s account. Students whose aid awards exceed the cost of tuition and fees may request book vouchers for use at the School’s bookstores three weeks prior to the start of class. Requests should be in writing via email and include the estimated cost of the books from MBS.

The Carey Business School reserves the right to ask for documentation necessary to determine aid eligibility.

Documents submitted as part of aid applications become the property of the Carey Business School and cannot be returned. Applications for federal aid cannot be processed if the relevant tax returns have not been filed in accordance with IRS code. Federal regulations require that the School report suspected cases of fraud or misrepresentation to the appropriate federal, state, and local authorities. Gift aid (scholarships and grants) may be taxable to the extent that it exceeds the federally allowable costs of tuition, fees, and required books and supplies, or is dedicated to other costs, such as living expenses. Federal grants may be taxable if, together with other gift assistance, they exceed the allowable costs.

In compliance with the Higher Education Amendments of 1998, students receiving Title IV aid who drop below half-time status or withdraw completely may have their aid returned to the government according to a federal formula. Aid proceeds which have been previously refunded to the student for living expenses may have to be repaid immediately as well. For more information please refer to the financial aid website at carey.jhu.edu/admissions/financial-aid/financial-aid-policies/title-iv-funds.

Since such changes in academic status may also affect students’ future eligibility for aid, it is recommended that Title IV aid recipients who contemplate withdrawing or reducing their status below half-time first consult the financial aid office. Office hours are 8:30 a.m. to 5:00 p.m., Monday through Friday.

Grading Policy*
*This policy goes into effect Fall 2017.

At Carey, we are committed to fostering a learning environment and assessing academic performance based on merit.

Core & Foundation Courses: A maximum of 25% of students may be awarded an A or A-; the grade point average should not exceed 3.3.

A class is considered “Foundation” or “Core” if the course is listed as such, regardless of the percentage of students taking the course as an elective.

Elective Courses: A maximum of 35% of students may be awarded an A or A-; the grade point average should not exceed 3.4.

The grading system used for official grades for all Carey Business School courses — graduate and undergraduate — is as follows.

• ‘A+’ is not awarded at any level.

• ‘A’ is reserved for those who demonstrate extraordinarily excellent performance as determined by the instructor.

• ‘A-‘ is awarded for excellent performance.

• ‘B+’, ‘B’, and ‘B-‘ are awarded for good performance in a course.
• ‘C+', ‘C', and ‘C-' are awarded at the graduate and undergraduate levels.

• ‘D+', ‘D', and ‘D-' are not awarded at the graduate level (undergraduate only).

• ‘F' indicates the student’s failure to satisfactorily complete the course work. If laboratory work is part of a course in which an ‘F’ is received, both the lecture and laboratory work must be repeated unless the instructor in the course indicates otherwise. If the course is not required for graduation, it need not be repeated; the grade, however, remains on the transcript and is calculated into the grade point average.

• ‘I' (Incomplete) indicates the instructor is not prepared to give a final grade for the course because of some justifiable delay in the student’s completion of specific course work. A final grade is submitted to the Office of the Registrar by the instructor after grading the student’s completed work, provided it is done within the agreed time frame. In the event that the work is not completed within the agreed time frame and no grade is reported four weeks after the start of the following semester, a grade of ‘F' replaces the ‘I' on the student’s transcript.

• ‘P' indicates successful completion of course work. No quality points assigned.

• ‘R' indicates that a course has been repeated. When a course is repeated, both the original and repeated course grades appear on the academic record; however, only the repeated course grade is used in calculating the grade point average. Course credit can be applied toward degree requirements only once, even if a course is repeated. Both the original and repeated course are indicated with an ‘R' on the academic record.

• ‘W' (Withdrawal) indicates an official withdrawal approved by the Office of the Registrar. It is not assigned by the instructor. If a student wishes to withdraw from a course, an add/drop form must be submitted by the deadline in the Withdrawal Schedule.

• ‘X' indicates the grade has not yet been submitted by the instructor.

No notation on an official report may be changed except to correct an error or replace an ‘I' (Incomplete) grade.

Carey courses may not be audited.

Each instructor assigns grades according to his/her own system.

**Grade Point Average**

Both semester and cumulative grade point averages are noted on a student’s academic record. To calculate grade point average (GPA), multiply the number of credits for
each course by the quality points associated with the grades received in each course; add up quality points; then add up credits and divide quality points by the number of credits. The quality points used for all official grades for Carey Business School are listed in the following table.

*D+, ‘D’, and ‘D-’ awarded at the undergraduate level only.

Grade Appeals

Students wishing to appeal a grade must contact their academic adviser within two weeks of the grade having been assigned by the instructor.

The student’s academic adviser will guide the student through the appeal process. After consulting with the academic adviser and receiving a grade appeal form, students will have two weeks to file the grade appeal with the adviser. Appeals must be submitted no later than four weeks from the date the grade was assigned by the instructor. To be successful, a student must show that 1) there was a clerical error; or 2) that criteria different from those in the syllabus were used to award grades; or 3) the instructor used an arbitrary or inconsistent standard. Examples of arbitrary standards could include differences in political or ethical positions of the instructor and student(s). The student must demonstrate that an accommodation was not reached with the instructor of record, and clearly delineate which appeal criteria are the basis of the petition.
If there is no successful resolution, the appeal will be forwarded to the Chair of the Grade Appeal Committee (GAC). The GAC will investigate and make a determination of the remedy, if warranted. The remedy will be communicated to the Vice Dean for Education, who will inform all parties of the decision.

A student may appeal the decision of GAC to the Dean of the Carey Business School. The Dean has final authority on the appropriate remedy.

**Receiving Your Grades**

Online: Currently enrolled students can access their semester grades using sis.jhu.edu/sswf.

By Mail: Students who wish to receive an official grade report by mail should submit a request via email to carey.registration@jhu.edu. Phone requests for an official grade report will not be accepted.

**Repeating a Course**

An undergraduate student may improve his or her cumulative GPA by repeating a maximum of three courses (not to exceed 9 credits) in which the student received a grade of C-, D+, D, D- or F. Although both courses will remain on the student’s permanent record, the last grade received will be the grade used to determine credit toward a degree and GPA. The first and second attempt will be recorded with both the grade earned and the symbol R to denote it has been repeated. The repeat must be in the same course and must be taken at the Johns Hopkins Carey Business School. Repeat of a course grade will not change notations regarding academic standing or academic discipline in the student’s official record for the semester containing the first or second attempt. No course can be repeated more than one time.

A graduate student may improve his or her cumulative GPA by repeating a maximum of three courses (not to exceed 6 credits) in which the student received a grade of C, C- or F. Although both courses will remain on the student’s permanent record, the last grade received will be the grade used to determine credit toward a degree and GPA. The first and second attempt will be recorded with both the grade earned and the symbol R to denote it has been repeated. The repeat must be in the same course and must be taken at the Johns Hopkins Carey Business School. The repeat will not change notations regarding academic standing or academic discipline in the student’s official record for the semester containing the first or second attempt. No course can be repeated more than one time.

*Note: For federal financial aid recipients, students may only receive federal aid for repeating a course in which an F grade was received.*
Graduation

The Johns Hopkins University confers degrees at the end of the summer, fall, and spring semesters. The University Commencement and divisional graduation ceremonies are held in May. The Carey Business School also holds a graduation ceremony in August for summer graduates. The May graduation program will include the names of those students who applied to graduate by the deadlines for the 2017–2018 academic year.

A student who expects to receive more than one degree or certificate must complete a separate graduation application for each degree and/or certificate. Applicants are required to apply by the deadline and within the same academic semester they complete their degree requirements. The Graduation Application is available online using SIS at sis.jhu.edu/sswf. Students in dual and joint degree/certificate programs must apply for graduation from both degree/certificate programs. Late applications for the spring semester may need to wait until the following academic year depending on the time the application is submitted. Students planning to graduate should complete all coursework before the semester ends and should not request or receive the grade of ‘I’ (Incomplete) during their final term.

Students who have submitted the Application for Graduation receive an automated application confirmation which is emailed to their JHU email address. Applicant names are placed on the tentative graduation list for the semester in which they anticipate completing their degree requirements. The graduation application is the first step of the degree audit process. To be eligible to graduate, all students must complete the requirements of their Academic Program of Study. For Master candidates, credits may be no older than 6 years; for Graduate Certificate candidates, credits may be no older than 3 years.

The Carey Business School Academic Board meets three times each year to review candidates for graduation. Students completing all requirements at the end of summer session are reviewed by the Academic Board in August; those finishing at the end of the fall semester are reviewed in December; and those finishing at the end of spring semester are reviewed in May.
Graduation ceremony information is sent via JHU email in early March for the May ceremonies. Information is sent in late June for the August ceremony. To receive their diplomas, students must pay all student accounts in full. Additionally, any outstanding charges of misconduct and violations of academic integrity must be settled before a diploma will be released. Johns Hopkins University diplomas indicate the degree (e.g., Master of Business Administration, Master of Science–Finance) without identifying the student’s concentration. Students who apply on time and complete their studies in the summer and spring will have the choice of attending the Carey ceremonies and receiving their diplomas that day, or having their diplomas mailed. Students who apply on time and complete their studies in the fall will have their diplomas mailed. Diplomas will be mailed to the diploma address listed in SIS approximately 2-3 weeks after the conferral date. Students in certificate programs will receive their certificates by mail.

*Note: Receiving a diploma at an international address can take up to an additional eight weeks, as it is mailed via International Airmail with no tracking number. In order to have it mailed via FedEx, contact the Registrar’s Office at 410-234-9250 or carey.graduation@jhu.edu.*

**Health Insurance for Students**

All students enrolled in full-time programs (with the exception of EMBA and MBA/MPH programs), and all F-1 visa status students are required to maintain adequate health insurance coverage to provide protection against unexpected accidents and illnesses. Full-time program and F-1 students are automatically enrolled in the Student Health Benefit Plan.

Students are billed each fall and spring for the premium on their SIS Student Account. Coverage for new students begins on the first day of orientation and ends the following summer. Coverage for returning students begins on August 14, 2017 and ends the following summer. No refunds are issued once enrolled in the Student Health Benefit Plan.

**If current coverage is ending**

Currently enrolled full-time students whose existing health insurance coverage is ending can enroll in the University’s student health benefit plan before the published enrollment date by submitting a copy of the termination letter from the current insurance carrier to Student Services at carey.student@jhu.edu. New coverage is available beginning the 15th of each month and continues until the next regular enrollment date.
Insurance Waiver Process

All students enrolled in full-time programs (with the exception of EMBA and MBA/MPH programs), and all F-1 visa status students must purchase the University’s student health benefit plan and are not permitted to waive coverage. Only students who are already enrolled in a US-based insurance plan through their employer or family may request a waiver of the University’s health plan coverage. Students who do qualify for a waiver can log in to SIS at sis.jhu.edu/sswf and complete a waiver request. The deadline to waive coverage is September 15, 2017. Students will not be permitted to waive coverage after this deadline.

Honor Code*

* Policy will be revised January 2018 and renamed Academic Integrity.

The Carey Business School measures success by the way a Carey graduate stands out as an innovative business leader and exemplary citizen. The Carey community believes that honesty, integrity, and community responsibility are qualities inherent in an exemplary citizen. The objective of the Carey Business School Honor Code is to create an environment of trust among all members of the academic community while the qualities associated with success are developed in students.

The Honor Code requires that each student act with honesty and integrity in all academic and co-curricular activities and that each student endeavor to hold his or her peers to the same standard.

Upon witnessing an alleged violation of the Honor Code, a student is expected to inform either the responsible faculty member or the Honor Council of both the alleged violation and the name of the student accused of committing the alleged violation. Each member of the Carey community, as a person of integrity, has a personal obligation to adhere to this requirement. It is only by upholding the Honor Code that members of the entire Carey community can contribute to the School’s ability to maintain its high standards and its reputation.

Violations of this agreement are viewed as serious matters that are subject to disciplinary sanctions imposed by the Honor Council of the Carey Business School, which is composed of a fair representation of part-time and full-time MBA, MS, BS and BBA students and faculty members.
Academic Honesty

Violations of Academic Honesty include:

Lying – Lying includes, but is not limited to, knowingly communicating an untruth in order to gain an unfair academic or employment advantage, or neglecting to divulge information when under the circumstances, a person of integrity would be expected to disclose the matter.

Cheating – Cheating refers to any activity that gives a student an unfair academic advantage. It includes, but is not limited to, using unauthorized materials to complete an assignment; copying the work of another student, or representing another’s work as one’s own work; falsifying one’s identity by having another person take an exam; unauthorized providing of materials or information to others during assignments or examinations, submission of false documents or information to avoid taking an assessment. All communications, written, oral or otherwise, among students during examinations, are forbidden, as is the use of notes, books, calculators, electronic devices or other written material except when approved by the instructor.

Plagiarism – Plagiarism includes, but is not limited to, use of ideas, data, direct quotations, paraphrasing, or any other incorporation of the work of others not clearly referenced. Students are required to submit their own work.

Dual Submission – Dual submission includes submitting substantially similar work in more than one class without the approval of the instructors. Submitting work that was prepared for a previous class requires the approval of the current instructor. Submitting substantially similar work in concurrent classes requires approval, in advance, from each instructor.

For group work, all group members may be held accountable for the academic integrity of their work. This list is not all-inclusive, and is included for illustrative purposes.

University Policies

For the university-wide Code of Conduct please go to: http://studentaffairs.jhu.edu/policies/student-code

All allegations falling under the realm of Title IX should view these webpages and report to the University’s Title IX coordinator. Information is below:

Honor Code Policies and Procedures

Student academic integrity is the responsibility of the faculty of the Carey Business School, (hereinafter the School). The Carey Business School Honor Council has been created to administer this responsibility.

Effective August, 2016, student conduct is being governed by the University-wide Code of Conduct (http://studentaffairs.jhu.edu/policies/student-code).

Jurisdiction

The Carey Business School Honor Council (hereinafter the Council) has jurisdiction over disciplinary matters involving matriculated and continuing Carey Business School students (hereinafter Carey Students) in the full-time and part-time programs (hereinafter Carey Programs) at the Carey Business School. This jurisdiction may include, without limitation, the following:

• Violations of Academic Honesty

• Disciplinary violations may include, but are not limited to, the following: Cheating, plagiarism, unpermitted collaboration, or forgery of academic documents

• Improper use of intellectual property

Membership and Responsibility of the Council

a. The Honor Council is responsible for:

   i. Interpreting the Honor Code

   ii. Promoting the values of the Honor Code through communication with Carey students, faculty, and administrators
iii. Serving as representatives of the student body or faculty on all issues pertaining to the Honor Code

iv. Conducting investigations of suspected Honor Code violations

b. The Honor Council will include two Co-Chairs, student representatives, faculty representatives, and the Director of Student Services or designee. The Director of Student Services or designee will be a non-voting member of the council. Student representation should include full-time and part-time programs. The faculty representatives will be appointed by the Vice Dean for Faculty and Research and the Vice Dean for Education or their designee. Student volunteers will be selected by Student Services via a nomination and interview process. The two Co-Chairs will be students. The council will elect the Co-Chairs for a one-year term.

c. If the Vice-Dean or the Co-Chairs determine that a member of the Honor Council is unfit to perform his or her duties, the Co-Chairs will excuse that member from all further involvement in the Honor Council. His or her responsibilities will be assumed by (a) another student appointed jointly by the co-chairs and the Vice Dean for Education, or (b) in the case of faculty, another faculty member appointed by the Vice Dean for Faculty and Research. In situations regarding Council membership not covered as described above, the remaining Council will have discretion to make decisions based on a majority vote.

Procedure:

a. Any member of the faculty, administration, staff, or any student who has reason to believe a violation of the Honor Code has occurred is expected to notify the Honor Council. All allegations of sexual misconduct, relationship violence and stalking must be reported to the Title IX Coordinator. For a first offense that does not involve sexual misconduct, relationship violence and stalking, a faculty member may, but is not required to, work directly with the student for consequences up to but not exceeding a zero on the assignment/assessment. Notification to the Honor Council prior to working directly with the student is required to ensure it is a first Honor Code offense. A report of the offense and outcome will be kept on record. All other suspected violations will be filed as a complaint with the Council against a student (hereinafter Accused) alleging a violation in accordance with section 2. A student may also report an alleged violation to the responsible faculty member. The Complaint must be in writing and signed by the Complainant setting forth briefly the nature of the alleged disciplinary infraction and the nature of the evidence. A copy of the Complaint will also be sent to the Honor Council via the Director of Student Services. The Accused will receive
notice that a complaint has been received, and the nature of the alleged
disciplinary infraction.

All allegations that a student has violated Carey Business School policies or
campus regulations, and that do not involve allegations of sexual misconduct,
relationship violence or stalking, are intended to be resolved as expeditiously
as possible. In lieu of proceeding to a formal hearing, the student and the
school in conjunction with the Honor Council Chair may arrive at a mutually
acceptable agreement concerning disposition of the charges, subject to the
approval of the Vice Dean for Education or designee. If a mutually acceptable
agreement is not reached and the school is on break or summer session, the
hearing may be delayed until the start of the next term.

Complaints of discrimination and harassment, including sexual misconduct,
relationship violence, and stalking, may be brought to the attention of the
Director of Student Services at the Carey Business School, or the Title IX
Coordinator in the Office of Institutional Equity at oie.jhu.edu/.

In cases involving potential criminal conduct, including in cases of sexual
violence or sexual assault, relationship violence or stalking, an accuser may
also file a complaint with campus security. Campus security contact

Subject to the exceptions noted below for complaints of sexual misconduct, relationship violence and stalking, upon receipt of a Complaint to be heard by the Honor Council, a Co-Chair shall form an Investigative Committee comprising him/herself and one faculty Council member within two academic days or a time frame within reason, or request an Administrative Review by the Director of Student Services. The role of the Investigative Committee or Administrative Review is that of fact finding and recommending further action as necessary. The Investigative Committee or Administrative Review shall submit its written report within seven academic days or a time frame within reason. If the Chair or any member of the Investigative Committee suspects a Violation has occurred, and a mutually acceptable agreement concerning disposition of the charges, subject to the approval of the dean or his/her designee has not been determined, the Complaint is assigned as a Case (hereinafter Case) for further action.

c. If the Investigative Committee or Administrative Review and the Co-Chair conclude there is not sufficient evidence to suspect a Violation, the Complainant and the Accused shall be notified immediately in writing and the Complaint will be dismissed.

d. If the Investigative Committee or the Co-Chair concludes there is sufficient evidence to suspect a Violation, the reviewing Co-Chair will notify the Complainant and the Accused in writing and outline the nature of the evidence.

e. For the Case, the Co-Chair will form a Hearing Panel comprising a fair representation of the Co-Chair, at least three faculty Council members and at least two additional student Council members. The Chair will notify the chosen Hearing Panel members and will instruct them as to how to proceed.

f. The Chair shall instruct the Hearing Panel of the confidentiality of such proceedings.
Hearings

An Honor Code Hearing is an academic process based on the basic tenets of scholarship—full and willing disclosure, accuracy of statement, and intellectual integrity in hypothesis, in argument, and in conclusion. An Honor Code Hearing is not a trial. Formal rules of evidence commonly associated with a civil or criminal trial may be counterproductive in an academic investigation proceeding, and shall not be applied. NOTE: Certain special procedures apply in cases of sexual misconduct, relationship violence and stalking that are noted below.

a. To constitute a valid disciplinary hearing, the Hearing Panel must contain a quorum of at least three faculty members, the presiding Co-Chair, at least two additional student members, and the Director of Student Services, or designee, all of whom are present during the entire hearing. Should exceptional circumstances arise, requiring the seating of additional Hearing Panels simultaneously, the make-up of the Hearing Panel may change but will always include students, faculty and a representative from Student Services.

b. The Co-Chair will prepare the Case for presentation to the Hearing Panel and invite all requested witnesses to attend the hearing. Where the Accused requests that witnesses be summoned on his or her behalf, the student must furnish the Co-Chair with the names of the witnesses in sufficient time for the Co-Chair to request the presence of such witnesses. It is within the Hearing Panel’s discretion to limit the number of witnesses appearing at the hearing to a reasonable number.

c. The Co-Chair shall administer the proceedings and conduct of the hearing.

d. At the commencement of the hearing, the Co-Chair shall read the charge(s) in the presence of the Accused and the Hearing Panel, and ask the Accused for a plea of violation or no violation.

e. The hearing shall not be governed by formal rules of evidence. Statements or documents that are considered inadmissible evidence in a judicial proceeding may be admitted as evidence.

f. The Co-Chair will maintain order during witness questioning and cross-examination. The Co-Chair has the right to object to questions that are irrelevant or considered asked and answered.

g. Hearing Panel deliberations will begin in closed session immediately after the conclusion of the hearing. The Hearing Panel will agree on a verdict and recommended sanction, if applicable.

h. The Accused is presumed innocent until proven in violation by a preponderance of the evidence.
i. Each Hearing Panel member has one vote. A majority vote of the Hearing Panel shall constitute a valid decision. The Co-Chair only casts a vote in the case of a tie vote among the Hearing Panel members.

j. A formal record of all official hearings shall be made.

k. The Co-Chair shall, as soon after the hearing as possible, prepare minutes of the hearing including:

   i. Date, place and time of the hearing,
   ii. The names of all persons present at the hearing,
   iii. A short statement of the charge against the Student
   iv. Confirmation that the Student was notified of the allegations and given an opportunity to respond,
   v. A summary of the findings of fact and conclusions made by the Hearing Panel, A statement of the decision of the Hearing Panel,
   vi. The sanction recommended by the Hearing Panel, if applicable

l. The Co-Chair shall promptly inform the Vice Dean for Education of the Hearing Panel’s verdict and recommended sanction.

m. The Vice Dean for Education shall inform the Accused, and if applicable the responsible faculty member, of the decision in writing and all appropriate notations will be included in the Accused student’s record. This includes grades and transcript notations.

Procedural Rights

a. The Accused is presumed innocent until found in violation according to these Student Disciplinary Rules.

b. The Accused has the right to be informed in writing of the charges against him or her and the identity of the Complainant.

c. The Accused will receive a copy of the Investigative Council’s written report prior to the hearing.

d. The Accused has the right to have the Co-Chair request the presence of a reasonable number of witnesses on his or her behalf. A witness’ failure to comply with the Hearing Panel’s request for attendance to provide testimony during the hearing may constitute a violation of the Carey Business School Honor Code.
e. All witnesses must be available for testimony throughout the course of the hearing.

f. The Accused may consult with an adviser of his or her own choosing to assist in the preparation of the Accused defense. Members of the Council or any Dean shall not be eligible to serve as an adviser to the Accused under this section. The adviser shall not be present during the hearing.

g. Notwithstanding the section above, the Accused has the right to ask the Co-Chair to appoint a Council member to serve as a pre-hearing counsel to the Accused solely on issues related to the hearing rules and process.

h. The Accused is invited, but not obligated, to submit to the Co-Chair his or her written statement regarding the charges, documents, or any other information relevant to the case, no later than two academic days prior to the hearing date.

i. The Accused has the right, but not the obligation, to testify at the hearing. The Accused’s decision not to testify will not presume guilt upon the Accused.

j. For complaints of sexual assault, relationship violence, and stalking regardless of whether the complainant or respondent is a student, or faculty or staff member, and for complaints of sexual misconduct in which the complainant or respondent is a student, the following must be adhered to and supersede any general Carey procedures:

Special Procedures

Notwithstanding the School procedures, for complaints of sexual assault, relationship violence, and stalking regardless of whether the complainant or respondent is a student, or faculty or staff member, and for complaints of sexual misconduct in which the complainant or respondent is a student, the following must be adhered to and supersede any general Carey procedures:

• Testimony: School shall make arrangements so that the complainant and the respondent do not have to be present in the same room at the same time.

• Questioning: If one party wishes to ask questions of the other party and of witnesses, questions must be submitted to the Hearing Panel in written format. The Hearing Panel may, in its sole discretion, revise or not ask any or all submitted questions.

• Information Regarding Romantic or Sexual History: No decision maker will consider the romantic or sexual history of either the respondent or the complainant in cases involving allegations of sexual misconduct, except for testimony offered by the respondent or the complainant about the parties’ shared sexual history. If such information is offered, the other party has the right to respond. Evidence of a prior consensual dating or sexual relationship
between the parties by itself does not imply consent or preclude a finding of sexual misconduct.

- Students on Board: Students on the Hearing Panel will be replaced by University employees or faculty for cases involving sexual violence or relationship violence.

Appeals

a. A decision or sanction of the Hearing Panel may be appealed only for the following reasons:

- Any evidence of a material nature and/or witness unavailable at the time of the original hearing and now available which might have affected the Hearing Panel’s decision at that time.

- Any procedural irregularity in the hearing that was material and prejudicial to the decision.

Such appeals must be presented in writing directly to the Dean of the School within fifteen days. Decisions at this level are final.

Possible Sanctions

If the violation involves a course, the course instructor is not to impose any sanction, including a grade adjustment, pending consideration of the Case by the Honor Council. The instructor may propose a resolution to the Council; however, imposing sanctions is the responsibility of the Honor Council. This reflects the intent of having sanctions be consistent over time and across the entire student body.

a. The Hearing Panel’s recommendation may include, but is not limited to, any one or more of the following disciplinary sanctions:

- **Warning** – Notice to the Student, orally or in writing, that continuation or repetition of the conduct found to be wrongful, or participation in similar conduct, within a period of time stated in the warning, shall be a cause for disciplinary action.

- **Censure** – Written reprimand for violation of a specified regulation, including the possibility of a more severe disciplinary sanction in the event of future violations within a period of time stated in the reprimand.

- **Academic** – Grade adjustment, including failure, on any work or course. This may include or may not include permanent student record notation. If the grade adjustment results in an F grade, “F due to Academic Dishonesty” will be noted on the official Carey transcript.
• **Disciplinary Probation** – Exclusion from participation in privileges or extracurricular activities as set forth in the notice of disciplinary probation for a specified period of time. Notification that a more severe disciplinary sanction may be imposed if the student commits a second disciplinary offense while on disciplinary probation.

• **Monetary Fines** – For any Offenses as determined by the Council.

• **Suspension** – Exclusion from classes and other privileges or extracurricular activities as set forth in the notice of suspension for a definite period of time. “Suspension for Academic Dishonesty” will be noted on the official Carey transcript.

• **Dismissal** – Permanent termination of a student’s status. “Dismissal for Academic Dishonesty” will be noted on the official Carey transcript.

b. For students found in violation of a second offense, sanction options Warning, Censure, and Academic are not available.

c. A Student who has been suspended or dismissed, and who is subsequently found to have not committed a disciplinary infraction shall be allowed full opportunity to make up whatever course work was missed due to the suspension or dismissal and all transcript notes will be removed.

**Record Keeping:**

The Co-Chair shall maintain all records and files of all disciplinary Cases and proceedings in a confidential manner. All such records will be secured in the Director of Student Services office until such required retention time expires, as recommended by Legal Counsel of the University. A list of all Honor Code cases, type of violation and outcomes without names will be provided to the faculty annually for the specific academic year.

**Amendments to Student Disciplinary Rules:**

a. These Policies and Procedures represent the founding principles of the School’s Honor Council. In such cases where events within the Council’s jurisdiction are not represented under the auspices of this document, the Council can enact appropriate changes with a three-fourths Council membership vote. Any and all changes are subject to the approval of the Vice Dean for Education and subsequent faculty vote at the next faculty meeting.

b. This Honor Code in its entirety will be evaluated again two years from the date of its most recent faculty adoption.
Housing

Baltimore Housing Options

The Carey Business School has joined other Johns Hopkins University schools in partnering with Off Campus Partners to create a new Off-Campus Housing Listing Service and Website to better serve the needs of our Baltimore students. The website allows students, staff and faculty to view listings on a user name/password protected site. The site provides tools to filter properties by neighborhoods, pricing, and much more.

There is also a roommate section and message board to post requests for roommates as well as a section for furniture for sale. The service also includes educational components designed to help students become good citizens of the Baltimore community. To start a housing search, please visit carey.jhu.edu/life-at-carey/student-resources/housing-resources.

Please contact Off Campus Partners at info@offcampuspartners.com or call 877-895-1234 with any questions.

Washington, D.C., Housing Options

Many resources are available in Washington, D.C. to help with the search for suitable accommodations. There are many distinct neighborhoods for those interested in living near the Carey Business School’s Washington D.C. Center.

Housing options in Washington, DC can be researched by visiting dchousingsearch.org/index.html and tools and resources for finding DC housing can be accessed here: dchousingsearch.org/Resources.html. Neighborhoods within a 20 minute walking distance from the Carey Business School include DuPont Circle, Thomas Circle, Logan Circle, Adams Morgan, Foggy Bottom, and West End. For more detailed information regarding housing options in DC, please review our DC Student Housing Guide found at carey.jhu.edu/life-at-carey/student-resources/housing-resources/.

We strongly recommend that students do not sign a lease before visiting the property. We also strongly recommend that students purchase renters insurance.
Immunization Law

According to Washington, D.C., Immunization Law 3-20, students under the age of 26 who attend classes in Washington, D.C., must have vaccinations for Measles, Mumps, Rubella (MMR) and Tetanus/Diphtheria. Students must submit proof of immunizations once they register for classes at the Washington DC Center. The immunization form is provided to all students when admitted to the Carey Business School.

Students who may have already submitted proof of immunizations for another school or program within JHU are also required to submit the form to the Office of the Registrar at the Carey Business School, as these forms are not transferable across schools or programs.

An immunization alert will be placed on a student’s account if the completed immunization form is not submitted to the Registrar’s Office. This alert will block registration once the class in DC begins, but will be removed once the forms have been submitted and reviewed. The immunization form can be found in the Carey Business School student portal or at carey.jhu.edu/uploads/documents/Immunization_Form2017.pdf

Completed immunization forms can be scanned and emailed to the Office of the Registrar at carey.registration@jhu.edu or faxed to the Registrar’s Office at 410-800-4096.

In order to safeguard the health and well-being of the entire Carey community, we encourage all students to obtain vaccinations for Chickenpox, Measles, Meningitis, Mumps, Rubella (MMR), and Tetanus/Diphtheria.

Inclement Weather Policy

In order to maintain the academic integrity of our programs, it is important that any class session that is missed due to weather, instructor illness or other emergency is made up, and that any missed material is covered. However, faculty members have considerable latitude over how the class sessions will be made up and have two options from which to choose. They may:

- Plan and schedule an Adobe Connect/ Blackboard online session.
- Re-schedule the class period to a designated make-up day.
- Designated make-up days are scheduled at the end of each 8-week term or semester.
Whenever a class session is cancelled, each faculty member may choose the appropriate make-up alternative for that particular class. The faculty member must notify the students in the class and the Office of Education about which option will be used to make up the class period.

This policy applies to all programs and those situations when a single class day has been cancelled. Weather emergencies or other events that result in multiple-day cancellations will be handled on a case by case basis. Please call the University Weather Emergency Line at 410-516-7781 or 1-800-548-9004 or visit jhu.edu/alert.

**Inspection of Academic Records**

While enrolled, a Johns Hopkins Carey Business School student can request an appointment to inspect his/her academic record. A written request with an original signature must be submitted to the Office of the Registrar in writing. Faxed requests will not be honored. Mail the request to:

Johns Hopkins Carey Business School  
Office of the Registrar  
100 International Drive  
Baltimore, MD 21202

Requests to inspect and/or receive copies of documents (other than transcripts from previous institutions and confidential letters of recommendation) maintained in a student’s academic record may be submitted under the provisions of the Family Educational Rights and Privacy Act of 1974 (commonly known as FERPA), as amended. Additional information and copies of this policy can be obtained by calling the Office of the Registrar at 410-234-9250 or by reviewing web.jhu.edu/registrar/FERPA.

**J-Card**

The J-CARD is the official identification and access card for students, faculty, and staff of the Homewood divisions of the Johns Hopkins University, including the Johns Hopkins Carey Business School. For more information, please contact Campus Operations at carey.jcard@jhu.edu.

**Leave of Absence**

Leave of Absence (LOA) is a period of time that a student is expected to be away from his/her enrollment in classes at the Johns Hopkins Carey Business School while maintaining an active status. Leaves should be timed, whenever possible, to come at the end of a term, preferably at the end of a full academic year. Students may request a
Leave of Absence for up to one calendar year. In rare instances, a Leave of Absence of up to 2 years may be granted.

On the recommendation of the adviser, school administrator or request by the student, a LOA may be granted to students in good academic standing. Leaves are granted when the student will not be actively pursuing an academic course of study in a term (fall, spring or summer) to fulfill the degree requirements. Coursework completed at another institution of higher education, including all divisions of Johns Hopkins, while on an LOA may not be used toward completion of academic program requirements. The period of time that a student is on an approved LOA is not counted toward the time to completion of the requirements of their academic program of study.

Students on leave are not enrolled or registered students for the period of the leave. If the student does not return to the academic program after the designated leave, his or her student record is made inactive. In order to return to academic work at a later time, the student must formally reapply for admission through the Office of Admissions. The Johns Hopkins Carey Business School reserves the right to place a student on a Leave of Absence if circumstances require it. In such cases, the return from the LOA may be contingent upon academic, medical, or psychological evidence that the student is ready to return to study. Please see ‘Involuntary Leave of Absence and Condition of Enrollment (COE) Policy’ in the University and Carey Business School Policy section of this handbook.

Leave of Absence (LOA) refund policy:

- If LOA is approved before the start of semester, full refund is provided to the student’s account.

- If LOA is approved after the first day of classes, the standard Refund Policy will apply to all courses dropped in the specified term (please see Refund Policy in Appendix D Schedules and Charts).

- To request an exception to the refund schedule, students must submit a General Petition Form to the Registrar’s Office. Petitions must be accompanied by documentation of the circumstances leading to the request. Students who experience severe medical problems, a death in their immediate family, or who are called into active military duty may receive a 100% refund. Other requests will be reviewed on a case by case basis, and refund amounts (if awarded) will be decided by the Registrar.

All students who are absent for more than one calendar year and who did not obtain an approved Leave of Absence will be required to apply for readmission through the Office of Admissions before being permitted to re-enroll. The duration of this absence is applied to the time students have to complete the requirements of their program of study.
Library Resources and Services

Business Research Guide

From the Sheridan Libraries’ website library.jhu.edu, select “Business” under “Guides by Topic” or go to guides.library.jhu.edu/business for a handy guide to locating key business information resources that are available through the Sheridan Libraries for academic research.

Databases

Access designated links to over 80 valuable databases in business and finance through the Business Research Guide or the Databases menus on the library’s website at library.jhu.edu. Additional, installed resources exist at the campus libraries.

Bloomberg Terminals

Designated terminals at the JHU campuses provide access to Bloomberg’s interactive financial information service for real-time and historical business and economic data and news. Refer to the Bloomberg guide, guides.library.jhu.edu/bloomberg, for details before creating an account.

Access from Off-Campus

Students must access secured electronic resources via the library’s links with their JHED ID and password. Click on the “Connecting from Off-Campus” link on the library’s homepage for more information.

RefWorks & Citing Sources

Consult the Citing Sources guide, guides.library.jhu.edu/citing, under “Research Help” on the library’s homepage, for resources that provide examples of proper format for citations. View the RefWorks guide, guides.library.jhu.edu/refworks, before using RefWorks to manage and annotate references, create bibliographies in a particular citation style, and properly footnote a paper.

JHU ID Card & Books

JHU ID cards enable students to enter JHU libraries, use copiers or printers, and check out books requested through the Catalyst or Borrow Direct catalogs. Catalyst’s Advanced Search catalyst.library.jhu.edu/advanced best identifies JHU libraries’ print and electronic books. Students can retrieve JHU library books personally, request weekday delivery to a JHU library, or immediately view e-books. Renewals may be possible through the “Account” link. Borrow Direct is an alternative service for requesting and borrowing books from selected U.S. libraries. Click on the “Get Help” tab on the library’s homepage for more information on the services and policies.
Course Reserve Readings

For instructors who have utilized the library’s Reserves service, available electronic course readings would be accessible to their students 24/7 via a designated link within a course’s Blackboard space. Refer to the Reserves link on the library’s home page or the campus librarians to identify whether print books have been placed on reserve at a particular library for a course.

Document Delivery

Need books or journal articles that are unavailable through JHU resources or Borrow Direct? Get articles delivered electronically, or borrow books from other U.S. libraries through the Interlibrary Loan service. Click on the “Interlibrary Loan” link under “Request Materials” on the library’s homepage to place or track requests.

Individual and Group Consultations or Assistance

In addition to the Milton S. Eisenhower Library at the Homewood campus, the following campuses have on-site libraries with the same resources and services for students’ convenience. Librarians are available for individual or group consultations or assistance.

Lockers

A limited number of lockers are available for use at the Baltimore Harbor East and Washington DC locations. Lockers are available on a first come first served basis, therefore there is a preference given to those who share lockers. Please visit the front desk to complete an application for use of a locker for the academic year. Lockers can also be shared with another student. Students will be notified via email once their application has been processed. Students must use the combination lock supplied by the Carey Business School; any unidentified locks will be removed. Please note that lockers are subject to be searched by Carey Business School administration at any time.
Office of International Services

The Office of International Services (OIS) serves international students (specifically those in F-1 status, but also those in other non-immigrant status) at Johns Hopkins on issues related to immigration regulations. The role of OIS is to issue documents required for students to obtain the visa, and help them to maintain their status once they have arrived. OIS also assists with travel, employment authorizations, change of status, and cross-cultural awareness as well as financial concerns, health matters, housing, and other issues that may arise during a student’s stay.

OIS at Carey is part of a larger organization under the umbrella of the Provost’s Office at the Homewood campus, which incorporates all five International Services offices across the Johns Hopkins University. As a part of this umbrella, OIS at Carey is able to share resources, knowledge and services. Students are not restricted to working with the office at their home campus—for instance, Carey students can visit the Homewood or Washington, DC office for travel signatures or advice if this is more convenient for them than visiting the Harbor East office.

For more information, please refer to the OIS website at ois.jhu.edu.

Johns Hopkins Carey Business School
Office of International Services
100 International Drive
Baltimore, MD 21202
667-208-7001

Regular updates regarding visa-related matters and other items of interest to international students (and other official information) will be sent periodically to your official Johns Hopkins email address.

International Student Services for newly admitted students

After receiving the acceptance letter from the Carey Business School and payment of the enrollment fee, international students who identify in Apply Yourself as expecting to attend in F-1 status will be sent an email from OIS with information on the steps required to receive an I-20 form. This email will be sent to the address listed in the student’s application in Apply Yourself. If the information is not received, please contact OIS at ois@jhu.edu.

Before an I-20 is issued, the international student is required to submit financial documentation to OIS via iHopkins, per the instructions sent by email. I-20s will not be issued until the student has accepted the offer of admission, the enrollment fee has been paid, and all required documents have been uploaded to iHopkins.
An overview of the process and the documentation required can be found online at ois.jhu.edu/Immigration_and_Visas/For_New_Students_and_Scholars/For_Students.

Specific figures on the estimated expenses and the amount of funding required in order to be issued an I-20 for the Carey Business School can be found at ois.jhu.edu/Immigration_and_Visas/For_New_Students_and_Scholars/For_Students/Carey_Expenses.pdf

After arriving in Baltimore or Washington D.C., students must check in with OIS. This can be completed online at: ois.jhu.edu/Immigration_and_Visas/For_New_Students_and_Scholars/CheckIn_Process/.

Orientations for new Carey students will be held in August. These dates can be found at carey.jhu.edu/students/first-steps-for-new-students.

Please note that OIS is here to serve all international students, regardless of what campus they are affiliated with. Students are welcome to visit, email, or call any of the five OIS offices for assistance. OIS office information can be found at ois.jhu.edu.

For more information on the requirements to maintain F-1 visa status, please refer to the OIS website page on “Maintaining F-1 Status” ois.jhu.edu/Immigration_and_Visas/F1_Student/Maintaining_F1_Status/.

Regular updates regarding visa-related matters and other items of interest to international students (and other official information) will be emailed periodically to the student’s official Johns Hopkins email address.

**F-1 Employment**

Employment for students in F-1 status is limited. On-campus employment (at any campus of the Johns Hopkins University) is allowed immediately upon arrival in the U.S. Any employment off-campus must wait until the student has completed at least one academic year, or two semesters in F-1 status, either at Carey or another school.

The most common form of off-campus employment is Curricular Practical Training (CPT). Students may request CPT authorization for paid internships approved by the Office of Career Development. Only part-time CPT (20 hours per week or less) will be approved during the fall and spring semesters, while classes are in session.

Full-time CPT may be approved during the summer or winter breaks. CPT is required for paid positions and highly recommended for unpaid positions.

Optional Practical Training (OPT) is one year of work authorization available to F-1 students, and is generally used after completion of their program of study.
For more information on F-1 employment, please visit the OIS website ois.jhu.edu/Immigration_and_Visas/F1_Student/Employment_With_F1/.

Contact OIS by email at ois@jhu.edu or phone at 667-208-7001.

**Parking**

**Harbor East Campus**

Parking is available for Carey students on the 5th level of the Legg Mason Tower garage. The garage is located underneath the building. Please pull into the garage and take a ticket. Park on level P5 and take the elevator up to the rear Lobby and exit to the street and then enter the Carey Business School’s entrance. To re-enter the garage after class, leave the front entrance of the school and enter the parking facility lobby by using the purchased chaser ticket. When leaving the garage, submit the original ticket and then the chaser ticket. For part-time students, discounted parking tickets are available on the 2nd floor at the main reception desk Monday-Thursday from 5:00pm – 7:45pm and on Saturday from 10:00am – 2:00pm during the first two weeks of the term. Discounted parking vouchers are valid Monday through Thursday after 5:00pm and Saturday from 8:00am – 6:00pm. Students can only purchase discounted parking tickets by credit card; there are no refunds and, tickets do not expire. For full-time day students, a discounted monthly parking pass is available directly from the garage for $84. Monthly discounted parking is subject to availability as determined by Towne Parke towneparkpermit.com/parkers/ParisWeb-Welcome.php.

**Washington, DC Center**

The center is conveniently located near two Metro stops: DuPont Circle (south exit) on the red line (two blocks away) and Farragut North also on the red line (five blocks away). Please visit wmata.com for more information.

Parking is available at two convenient locations during the week:

- Colonial Parking garage located underneath 1625 Massachusetts Ave, NW (site #540). The hours are Monday- Friday 7:00am – 7:00pm; after 7:00pm students may still exit the garage until 9:45 pm. The cost is $19 for all day access and $7 for access after 4:30pm. There is also an all-day early bird special for those arriving before 8:30am for $12. Daily parking fees are cash only. Monthly parking passes are available to students at this garage for $270/month or $279.80/month for 24-hour access. Order monthly parking pass online at ecolonial.com or call 202-295-8100 (credit card only). Please note that students who park in front of another vehicle should retrieve their keys by 7:00pm.
• Colonial Parking garage located at 1730 Rhode Island Ave. The hours are Monday - Thursday 7:00am – 11:00pm, and Friday 7:00am – 3:00am. Students must exit the garage before it closes. The cost is $19 for all day access and $10 for access after 4:00pm. There is also an all-day early bird special for those arriving before 9:00am for $14.

• Saturday parking is available at the Penn parking garage located at 1717 Rhode Island Ave (under St. Matthews Cathedral). The garage is open from 7:00am – 7:00pm and parking is $5 all day. It is also $5 after 4:00pm on weekdays. Street parking is also available—please read all street signs to ensure that parking is indeed permitted and if there is a cost involved.

*Prices listed above are in effect at time of publication and are subject to change. For additional information, please visit carey.jhu.edu/about/campuses.*

**Registration**

Students are encouraged to register as early as possible during each registration period because a section may close before the end of registration. Please note that all outstanding debts to Johns Hopkins University must be paid in full in order to register for the following semester.

Students may not sit in on a class without being officially registered for that class. Auditing is not allowed at the Carey Business School.

Students may only register for classes during terms in which they have been formally admitted.

**Registration Options**

The Office of the Registrar is available Monday through Friday, 8:30 a.m. - 4:30 p.m.

Students may register using one of several convenient methods:

- Online via SIS: Online registration is available at sis.jhu.edu/sswf to students who are fully admitted and current in their program of study. During registration periods, SIS is available 24 hours a day, 7 days a week.
- By Mail: The Add/Drop form can be obtained from the Office of the Registrar web page, under Forms: carey.jhu.edu/life-at-carey/office-of-the-registrar/forms/. Mail to: Office of the Registrar, Johns Hopkins Carey Business School, 100 International Drive, Baltimore MD 21202
- By Fax: The Add/Drop form can be obtained from the Office of the Registrar web page, under Forms: carey.jhu.edu/life-at-carey/office-of-the-registrar/forms/. The fax number is 410-800-4096.
By Email: The Add/Drop form can be obtained from the Office of the Registrar web page, under Forms: carey.jhu.edu/life-at-carey/office-of-the-registrar/forms/. The email address is carey_registration@jhu.edu.

In Person: The Add/Drop form can be obtained and completed at the Student Service counter at the Johns Hopkins Carey Business School, 100 International Drive, Baltimore, MD 21202.

Note: Financial Aid recipients and students using VA benefits are advised to register for all their classes for the semester (both terms) prior to the beginning of the semester. For example, please register for both Fall I and Fall II classes prior to the beginning of the fall semester.

Waitlists

Students attempting to register for a course that is full (is at its enrollment limit), may be placed on the waitlist by going to sis.jhu.edu/sswf. Please note that students may be placed on the waitlist for only one section of a particular course. Students will be contacted via their JHU email address only if an opening occurs prior to the first class meeting of the course. Waitlisting for a course is not an official registration; therefore no payment is required until a seat in the class is confirmed. Students may not attend classes for sections in which they are waitlisted.

Adding a Course

Students who have already registered may add a new course, provided that the course has not met for the first time and is not closed. Students may not add courses after the first class meeting. Students may add courses by using one of the registration options mentioned above.

Payment options for adding a course are the same as for initial registration. (Johns Hopkins employees must submit a tuition remission application, to Student Accounts, for each added course.)

Prior to the second class meeting, when dropping one course and adding another, 100 percent of the tuition from the dropped course may be applied to the tuition of the added course. After the second class meeting the appropriate refund may be applied (see refund schedule).

Dropping a Course

Students may drop a course without financial penalty up to the date of the first class by going to sis.jhu.edu/sswf. Once classes begin, students who drop a course receive a pro-rated tuition refund. Tuition refunds are calculated from the date of receipt of the add/drop form in the Office of the Registrar (see refund schedule). Students dropping a course after the first class meeting should notify the instructor of their decision.
Note: Financial aid recipients will have their aid award adjusted according to credits registered.

Students dropping to less than half-time status may have their aid canceled and will be responsible for any debit balance created. Students using VA benefits should contact the VA Certifying Official in the Registrar’s Office when adding or dropping a course.

**Withdrawing from a Course**

To withdraw from a course, students must submit an official add/drop form. Students may not withdraw from courses using SIS. Notice to the instructor of intent to withdraw is not sufficient, nor are telephone withdrawals accepted. The last date to withdraw from a class without academic penalty (without receiving the grade of F) is listed on the course Withdrawal Schedule. Students who withdraw after the deadline or stop attending class at any time without properly submitting an official add/drop form receive an ‘F’ (Failure) for the course. Tuition refunds are calculated from the date of receipt of the add/drop form in the Office of the Registrar. International students on an F-1 visa are advised to contact International Services at 410-234-9280 before withdrawing from or dropping a course.

Note: Federal aid recipients who withdraw from all course work in a semester may have aid returned to the federal government according to federal “Return of Title IV funds” regulations, a copy of which can be obtained from the Office of Financial Aid. Aid recipients who withdraw from some courses in the semester but not all their courses may have their aid awards adjusted to the reduced cost of attendance. Students who drop to less than half-time prior to beginning the class may have their federal aid canceled, even if some portions have already been refunded to them for living expenses. Students will receive a bill from the school for the balance due. Withdrawing from classes may also impact future aid eligibility. Financial Aid recipients are advised to consult with their academic adviser and the financial aid staff prior to withdrawing from classes. Students using VA benefits should contact the VA Certifying Official immediately.

Incomplete Grades

An ‘I’ (Incomplete) grade is used when the instructor is not prepared to give a final grade for the course because of some justifiable delay in the student’s completion of specific course work. A final grade is submitted to the Office of the Registrar by the instructor after grading the student’s completed work, provided it is done within the agreed time frame, as specified in the contract between the instructor and the student. Both the instructor and the student complete the contract and submit it to the Registrar’s office within 5 business days of the last scheduled class meeting. In the event that the work is not completed within the agreed time frame and no grade is reported within four weeks after the start of the following semester, a grade of ‘F’ replaces the ‘I’ on the student’s transcript.

Course Load

Students may not enroll in more than 17 credits total per semester.

For graduate level students (fall and spring semesters)

Not registered – 0 credits
Less than ½-time – 1 to 4 credits
Half-time – 5 to 6 credits
¾-time – 7 to 8 credits
Full-time – 9 or more credits

For graduate level students (summer only)

Not registered – 0 credits
Less than ½-time – 1 to 2 credits
Half-time – 3 to 4 credits
¾-time – 5 credits
Full-time – 6 or more credits

For undergraduate level students

Not registered – 0 credits
Less than ½-time – 1 to 5 credits
Half-time – 6 to 8 credits
¾-time – 9 to 11 credits
Full-time – 12 or more credits

Independent Study Requests

Matriculated students who wish to study a topic or area not represented in the curriculum may complete an independent study request form. Students may only
complete an independent project on a topic that does not duplicate either a course offered at Carey, or coursework transferred from another college or university.

Students must request guidelines and proposal forms from their academic adviser and may not register for the independent study until their proposals are approved in writing by their academic adviser, faculty sponsor, and academic program director. Proposal forms must be submitted by the following deadlines; April 1 for Summer semester, May 1 for Fall semester, November 1 for Spring semester. Students may not take more than one independent study.

**Interdivisional Registration**

During the fall and spring terms, degree-seeking graduate students at the Carey Business School may register for courses in another school at Johns Hopkins by submitting a Carey Business School registration form. Students pay the per-credit rate of the school offering the course.

Conversely, students from other divisions in the university (except the Schools of Arts and Sciences, and Engineering) may request to enroll in courses offered by the Carey Business School by submitting their registration request to their registrar for processing. Students in full-time Arts and Sciences and Engineering programs should use the Supplemental Registration Form, available from the Homewood Office of the Registrar, which requires permission of their academic adviser and the appropriate school program director or adviser. This form needs to be submitted to their own school’s registrar. Note that Carey Business School students have priority in registering for Carey Business School courses. All interdivisional students must abide by these policies, procedures, and deadlines. All published prerequisites for the course must be met prior to enrollment.

During the summer session, students do not follow the interdivisional registration procedures noted above. Students from other Johns Hopkins divisions in full-time programs that are not in session who want to enroll in Carey Business School summer courses have to be admitted as a Carey non-degree seeking student. Those students should follow the registration procedures outlined in the Registration section. For more information, contact the Office of the Registrar at carey.registration@jhu.edu.

Interdivisional registration is not available during the summer for Carey Business School Students. Carey students who would like to take classes at other Johns Hopkins divisions during the summer should contact the Registrar’s Office of the other division to confirm enrollment requirements. Students will be responsible for the tuition and fees for summer interdivisional courses.

*Note: Financial Aid recipients and students using VA benefits should inform the Office of Financial Aid of any interdivisional registration.*
Refunds

Students who officially withdraw during an academic term will receive tuition refunds based on the refund schedule found in the Appendix at the end of this catalog. Refunds apply only to the tuition portion of a student’s charges and are calculated from the date that the school receives an official add/drop form.

Federal aid recipients who withdraw from all course work may have aid returned to the federal government according to federal “Return of Title IV funds” regulations.

Those partially withdrawing may have their aid awards adjusted to the reduced cost of attendance. Students who drop to less than half-time prior to commencing the courses that require half-time attendance will have their federal aid canceled, even if some portions have already been refunded to them for living expenses. Students receive a bill from the school for any remaining balance due.

If a course is canceled by the school, the tuition is refunded in full. All other refunds approved in the Office of the Registrar will be in accordance with the refund schedule. A refund may take four to six weeks to process. Students will receive refunds according to their original method of payment.

Full-Time Students

A full-time student who is academically suspended or receives an honor code violation, and required to leave Carey for a semester or permanently, will not receive a refund for tuition charged at the time of the suspension, during a semester. A prorated portion of the tuition will be applied to future semesters based on the refund schedule for academically suspended students. If a student fails to return or is dismissed permanently, no refund will be given. In instances where a student is receiving federal financial aid, the aid will be recalculated and refunded to the federal government. The student is still responsible for the entirety of the tuition.

In order to receive the degree for the full time students program of study, the student must pay the entire published cost of the tuition regardless of the number of terms needed to complete the degree.
Student Accounts

For general inquiries about student accounts, specifically receipt of payments, refunds, online tuition payments, financial holds, 1098T forms, collections, company billing, etc., call Student Accounts at 410-234-4755, fax 443-769-1236, or email carey.studentaccounts@jhu.edu.

Payment Options

For students in full-time programs:

- Pay online with an electronic check
- Pay with a check by mail
- Pay with check at our Harbor East location
- Enroll in the monthly annual payment plan
- Pay with a sponsor contract
- Pay via wire transfer

For students in part-time programs:

- Pay online with an electronic check or credit card
- Pay with a check by mail
- Pay with cash or a check at our Columbia location
- Enroll in the monthly payment plan
- Pay with an employer contract
- Pay by Johns Hopkins University tuition remission (available to university employees and only covers tuition)
- Pay via wire transfer

Students with approved financial aid should elect to be electronically billed and will be responsible for any charges not covered by their award. All students should refer to Schedule A for billing periods and payment due dates. A late payment fee of $250 will be assessed if payment is not received by the due date. Students who choose the monthly payment plan option may use Schedule B as a payment guide. Schedules A and B can be found in the Appendix at the end of this catalog, or online at carey.jhu.edu/life-at-carey/financial-aid-and-billing.

Students with outstanding balances will be prohibited from registering and receiving services for future courses until the balance is paid in full. Estimated financial aid awards will not be included in outstanding balances.
Financial aid awards will disburse to the student account on the first day of class, if the student’s file is complete. Excluding financial aid, payments from students seeking to register may be kept and applied against prior obligations to the university. Delinquent accounts turned over to our collection agency will be assessed an additional 25 percent of the outstanding debt.

**Pay Online**

The fastest way to have a payment credited is to pay via SIS Self Service. Students should go to [sis.jhu.edu/sswf](http://sis.jhu.edu/sswf) to view their student account and make payment online. Students in part-time programs can make payments in Self Service by using a credit card (Visa/MasterCard/Discover/ American Express) or electronic check. Full time students can only use the electronic check option when paying tuition online.

Paper or electronic ACH checks that are returned by the bank will incur a $35 returned check fee. The student’s account will be placed on financial hold, and the student may be removed from any courses for which they are currently registered. Grades, transcripts and diplomas may be withheld, and student will be prevented from registering for future courses until payment is secured. Payments from students seeking to register may be kept and applied against prior obligations to the university.

**Pay With a Check by Mail**

Checks for tuition and fees should be made payable to Johns Hopkins University and should reference the student’s Hopkins/Person ID. Payments can be mailed to the following address:

Johns Hopkins Carey Business School  
Office of Student Accounts  
100 International Drive, 6th Floor  
Baltimore, MD 21202

Paying by check authorizes the school to electronically debit the account. Once the transaction has been completed, the actual check will be destroyed and will not be returned.

Paper or electronic ACH checks that are returned by the bank will incur a $35 returned check fee. The student’s account will be placed on financial hold, and the student may be removed from any courses. Grades, transcripts and diplomas may be withheld, and student will be prevented from registering for future courses until payment is secured. Payments from students seeking to register may be kept and applied against prior obligations to the university.
Pay In Person

Pay with a check at our Baltimore campus Monday through Friday between 9:00am – 4:30pm:

Johns Hopkins Carey Business School
Office of Student Accounts
100 International Drive, 6th Floor
Baltimore, MD 21202

The university accepts four major credit cards from part-time students ONLY: MasterCard, Visa, Discover, or American Express. Credit card payments may not be processed immediately. When the student pays with a credit card, a staff member will verify that the credit card information on the payment authorization form is complete and forward payment to the Student Accounts Office to be processed at a later date.

If a credit card payment is declined, a financial hold will be placed on the student’s account. This could also result in the student being removed from courses. Grades, transcripts and diplomas may be withheld, and student will be prevented from registering for future courses until payment is secured. Payments from students seeking to register may be kept and applied against prior obligations to the university.

Monthly Payment Plan

Students have the option of deferring tuition payment by enrolling in the monthly payment plan. To enroll, contact Tuition Management Systems (TMS) by phone at 1-888-713-7238 or visit their website at afford.com/jhucarey.

Students in part-time programs should choose the semester plan. Payment plans are semester-specific and cannot be used to pay past due balances from previous semesters. Book charges cannot be included in the payment plan. To enroll in the payment plan, students should have their Hopkins ID and the full amount of tuition and fees to be budgeted on hand for the call. (January courses should be included in the spring semester payment plan).

- There is an enrollment fee of $55 per semester for the part-time program payment plan.
- There is an enrollment fee of $75 annually for the full-time program payment plan.
- Students in full-time programs should choose the annual plan and should have their Hopkins ID and the full amount of tuition, fees and all out of pocket expenses to be budgeted for the entire academic year on hand for the call.
● If payment has not been made in accordance with the payment schedule, Tuition Management Systems (TMS) has the right to assess a $40 late payment fee and/or terminate the agreement.

In addition, if a student is no longer eligible to participate in the monthly payment plan, a $50 termination fee will be charged to the student account by the Carey Business School and the student will not be allowed to receive any future services until the account is paid in full.

**Employer/Sponsor Contract**

If an employer or sponsor will pay for all or part of the tuition, please note the following:

- The student must submit a purchase order or contract from the employer or sponsor authorizing the school to bill them directly for tuition and any fees.
- If the contract does not cover the entire cost of tuition and fees, the student is required to pay the remaining balance.
- Students can choose to receive an electronic bill, or enroll in the monthly payment plan to cover additional costs for tuition and associated fees not covered by the employer or sponsor.
- A faxed copy of the contract from the employer or sponsor is acceptable. Fax to 443-769-1236.

**Johns Hopkins Tuition Remission**

JHU employees participating in the tuition remission benefit plan should note the following:

- Tuition remission covers tuition costs for part-time courses ONLY. Fees are not covered.
- A completed tuition remission application for each course must be submitted to Student Accounts.
- The application(s) can be mailed or emailed, to:
  Johns Hopkins Carey Business School
  Office of Student Accounts
  100 International Drive, 6th Floor
  Baltimore, MD 21202
  carey.studentaccounts@jhu.edu
If the remission does not cover the entire cost of tuition, the student is required to pay the remaining balance. Students can select the monthly payment plan to pay for tuition not covered by the tuition remission benefit, or choose to be electronically billed. For more information, or to apply for tuition remission, go to benefits.jhu.edu/tuition/remission.cfm. Additional information is available from Student Accounts at 410-234-4755 or carey.studentaccounts@jhu.edu.

**Electronic Billing**

Students are required to have a current Johns Hopkins University email address and a valid Johns Hopkins Enterprise Directory (JHED). Notification of outstanding tuition balances will be sent electronically to the student’s Johns Hopkins University email account. Billing statements are available the second Wednesday of each month if activity has occurred since the last billing cycle. Students are required to make payment upon notification of this bill or if there is an outstanding balance. Balances not paid by the due date will be assessed a $250 late payment fee. Paper statements are no longer mailed to students.

For our current billing periods and due dates, see Schedule A in the Appendix at the end of this catalog, or online at carey.jhu.edu/life-at-carey/financial-aid-and-billing. For students wishing to view or pay their student account or monthly bill online visit sis.jhu.edu/sswf.

**Wire Transfer Information**

To wire directly to JHU, please be sure to include the student’s Hopkins ID number and/or other identifying information with the wire transfer. Once the wire transfer is completed, the student should notify the Office of Student Accounts of the payment amount and date of remittance by calling 410-234-4755 or emailing carey.studentaccounts@jhu.edu.

Students may choose to wire payment information directly to Johns Hopkins University or use our new service with Western Union. Information for both options is provided below:

**Western Union for International Payments**

Johns Hopkins University has contracted with Western Union Business Solutions to assist with processing wire payments from international students. This payment option allows students to pay their student account balance to the university in the currency of their choice and provides a simple and secure method for initiating payments electronically. We encourage all international students to choose this cost-effective and efficient method of payment to the Johns Hopkins University.

Log on to SIS Self-Service account or [geoforeducation.com/PRR/Info/SelfEnrol.aspx?paramset=JHU-94b7-42b0-a524-49dd9f78842f](http://geoforeducation.com/PRR/Info/SelfEnrol.aspx?paramset=JHU-94b7-42b0-a524-49dd9f78842f) to begin the wire transfer process. Those students logging into SIS should go to the billing tab and select the Summary or Statements option. The “Pay by International Wire Transfer” link is one of the payment options.

**Student Assistance Program (JHSAP)**

Being a student can sometimes be difficult. Balancing the demands of school, family, and work can be overwhelming at times. Managing even small life events can be more challenging when our time and energy is heavily committed. As a result, students frequently experience significant amounts of stress during their professional education. Extra support and coping skills can be helpful in these situations.

Johns Hopkins University and the Carey Business School are committed to assisting in these challenging times. The Johns Hopkins Student Assistance Program (JHSAP) [jhsap.org](http://jhsap.org) provides support to students dealing with pressures and problems they encounter during their academic careers. Services are complimentary and confidential.

JHSAP is a life management service that can help students identify stressors and manage them in a healthy way before more significant problems develop. Some common concerns are:

- Marriage and family
- Depression
- Interpersonal relationships
- Life transitions
- School and work troubles
- Adapting to a new environment
- Stress and anxiety
- Eating disorders
- Academic performance
- Grief and mourning

Getting help is easy, convenient, and confidential. Just call the number listed below. Crisis counseling is always available to ensure that students can get the assistance they need.
need when they need it. In most cases, JHSAP will schedule an appointment for the student to come in and speak with a JHSAP counselor.

The goal of JHSAP is to get to know the student, understand what’s going on, and to talk about how the student can move forward in a healthy way. To do this, JHSAP offers the following services:

- Counseling for assistance with problems of daily living
- Consultation that supports academic and/or professional development
- Immediate support and management for crisis situations
- Identification and assessment of a mental health problem
- Referral to appropriate and accessible services and resources

**Confidentiality**

All counseling sessions, except as required by law, are confidential. No one will know the student is using the program, unless the student either chooses to verbally discuss participation in the program, or signs a release of information requesting that the program share information with another party. JHSAP carefully follows State and Federal guidelines pertaining to confidentiality whereby if we become aware of harm to self or others, a duty to warn and/or protect may be applicable.

**Eligibility and Cost**

Services are offered to all active, for-credit students of the Carey Business School. Student eligibility is confirmed by checking JHED. There is no cost to students for using the program, and there is no limit on the number of times the student may access services. Each time a student contacts the program, a counselor will listen to and assess concerns and will work with the student to develop a plan to address the concerns. If longer-term assistance is appropriate, the student may be referred outside of the program for additional support; this can be through the student’s health plan or community resources. In these circumstances, there may be fees associated with the other services and resources to which the student is referred.

**Contact Us**

For more information or to schedule an appointment, call 443-287-7000 or toll-free 866-764-2317. Please visit JHSAP’s website at [jhsap.org/](http://jhsap.org/) for more information.
The Johns Hopkins Student Assistance Program is a service of the Faculty and Staff Assistance Program (FASAP). Office locations are conveniently located throughout the Baltimore/Washington corridor to meet student needs. Students who do not live locally may access services by calling the number above for consultation and will be directed to the appropriate office.

**Student Clubs and Organizations**

Student organizations enhance the quality of life at the Carey Business School. Each year’s clubs are shaped by the interests of the current students—students are also encouraged to create new clubs. Student Information System

The Integrated Student Information System (often referred as SIS) is Johns Hopkins’ university-wide, web-based student information system. Applicants to the Carey Business School can apply online and receive regular application status communications. Current students can use any web-browser to get 24/7 access to information about financial aid, class schedule, grades, and billing. Access the Student Information System at sis.jhu.edu/sswf.

Student Success Center

The Carey Business School’s Student Success Center (SSC) provides online and in-person one-on-one and group tutoring sessions in writing, presentation skills, and quantitative subjects, as well as a variety of workshops and final exam study groups. We support classroom learning by providing the tools needed to develop critical thinking skills and work through assignments on your own. Writing assistance focuses on helping you become a critical reader and independent writer of your work, and quantitative assistance aims to help you understand and apply math-related concepts. The mission of
the SSC is to guide you in developing skills needed to complete homework, tests, papers, and other course work independently.

Goals of the Student Success Center:

- Develop critical thinking skills and increase academic and professional self-sufficiency.
- Develop and apply skills needed to succeed in written assignments and quantitative courses.
- Establish an understanding of the importance of writing and presenting as a significant part of continued learning and personal and professional success.

Tutors at the Carey Student Success Center are certified by the National Tutoring Association. We employ current students and professional tutors with expertise in the subjects and skills needed to help you in a variety of areas. While writing tutors are not proofreaders or editors, they can guide you during any stage of the writing process. Quantitative tutors have received outstanding GMAT/GRE scores or classroom grades and come recommended by their instructors. Our tutors are sensitive to the many different needs of students and work hard to explain concepts, make recommendations, and show you how to apply those concepts in your work. Tutors differ from Teaching Assistants, as they do not lecture or provide course overview, and instead provide one-on-one and group tutoring when you experience difficulty understanding course concepts.

All students are expected to read and follow SSC policies, found on our website, while utilizing tutoring services. For more information about the SSC, to make an appointment, or to take advantage of our many resources, please visit our website at carey.jhu.edu/ssc.

The Johns Hopkins Carey Business School also offers students free access to Lynda.com, an online library of instructional videos covering numerous creative and business topics. Lynda.com users can find instruction on the use of the latest software, such as Microsoft Office, Adobe Creative Suite, Matlab, and SPSS. The service also covers tips on project management, social media etiquette, business writing, and other topics. Please visit carey.jhu.edu/about/lynda for more information.

**Summer Intensive**

The Summer Intensive program is an academic and acculturation program focused on providing students with opportunities to grow and succeed. The program is intentionally designed to include a number of experiential activities that challenge students to think critically and creatively, communicate clearly, work independently and on a team. Students will be able to self-reflect on their learning and plan their personal, professional,
social and academic development. The program is an ideal opportunity to prepare students for the demands of being a member of one of the world’s premier universities.

Students will build social and cultural knowledge inside and outside of the classroom. Student will be able to take advantage of opportunities to interact with peers and experience American culture through events that familiarize them with Baltimore and Washington, D.C. More information is available at carey.jhu.edu/summerintensive.

Transcripts and Verifications

A transcript is an official document containing a record of all the coursework taken by a student each term with his/her final grades, grade point average for the term, cumulative grade point average, and the degree received, if applicable. The official transcript is available in paper or electronic format. All transcripts are official.

The following policies apply regarding transcripts:

- Photocopies of transcripts from other educational institutions are not available. These documents are submitted specifically for consideration of admission. Students must request transcripts from previously attended colleges and universities directly.
- A Johns Hopkins University transcript will not be released without signed authorization from the student. Also, transcripts and grades are not issued to a student if there is an outstanding financial obligation to the university.
- Transcripts will not be sent by fax.
Transcript Ordering Options

Students may request transcripts using one of several convenient methods:

On-line

- Visit iwantmytranscript.com/jhucbs. The transcript will be sent securely through eSCRIP-SAFE (a secure electronic alternative to the traditional paper transcript) in a PDF format via email. The service fee is $2.25 per electronic address. A traditional paper transcript may also be requested using this method.

  *Note: Electronic transcripts sent to the recipient are considered OFFICIAL upon delivery.*

Transportation

Baltimore

The Carey Business School’s home is in Baltimore’s Harbor East neighborhood.

There are many different ways to travel into and throughout downtown Baltimore City. Below are some links and information about the best way to get around downtown. The Maryland Transit Administration (MTA) manages public transit in the greater Baltimore region and has a range of options. Monthly MTA passes can be purchased at the Johns Hopkins University Homewood campus. More information is available at studentaffairs.jhu.edu/studentemployment/student-information/handbook/transportation-services/.

The Charm City Circulator is a free shuttle service with routes throughout the city. For routes and stops, visit charmcitycirculator.com/content/about. The orange and green routes, as well as the Harbor Connector water shuttle, stop in Harbor East.

The Light Rail operates from Hunt Valley through downtown and ends at BWI or Glen Burnie. The Metro Subway runs between Owings Mills and Johns Hopkins Hospital, with stops in the downtown area. Local buses serve the city and surrounding counties, while commuter buses are express lines that run from Laurel, Columbia, Bel Air, and Havre de Grace to downtown Baltimore. The MARC is a commuter rail system with three lines that offer service from Washington, D.C., to Frederick, Baltimore, and Perryville, Maryland with stops in between. For more information visit mta.maryland.gov or call 410-539-5000.
JHU Shuttle

Johns Hopkins University operates a shuttle between the Homewood campus and the Carey Business School Monday through Friday. The Carey Business School shuttle has a morning run, two mid-day runs, a late afternoon run, and a late evening run. Specific shuttle times and shuttle stop locations are also available at ts.jhu.edu. The shuttle runs without stops between the Carey Business School and Mason Hall at the Homewood Campus.

Baltimore Collegetown Shuttle Bus

Johns Hopkins is also part of a consortium of schools in the Baltimore area that participate in the Baltimore Collegetown website and shuttle service. The closest shuttle stop to the Carey Business School in Harbor East is the Inner Harbor stop. More information is available at baltimorecollegetown.org/shuttle. More information about getting around downtown Baltimore can be found at godowntownbaltimore.com/getting-around/index.aspx.

Washington, D.C.

The Carey Business School Washington, DC, Center is located at 1625 Massachusetts Avenue, NW, Washington, DC, 20036, with offices and space on the 3rd and 8th floors of 1717 Massachusetts Ave, NW, Washington, DC, 20036. Mass transit is the easiest means of getting around the city and the Carey Washington DC Center is conveniently located near two subway stops: DuPont Circle and Farragut West.

Washington Metropolitan Area Transit Authority (wmata.com) manages public transportation in the Washington, D.C., region. Bus and rail service is extensive throughout the Washington, D.C., region. The Carey Washington DC Center is accessible from two Metrorail stops: DuPont Circle (south exit) on the red line (two blocks away) and Farragut West on the blue and orange lines (five blocks away).

**** For entire 12-month program

Prior to the first day of the summer, fall, and spring semesters, students may select from a number of payment options (refer to the Student Accounts section for details). Registration cannot be processed unless accompanied by appropriate payment or selection of an available payment option.

Students who have just begun the aid application process may not check “financial aid” in lieu of payment at the time of registration.

Students wishing to receive financial aid must pay for courses at the time of registration if they have not completed all required documentation.
All fees are nonrefundable:

- Late Registration Fee – $250
- Late Payment Fee – $250
- Returned Check Fee – $35
- Payment Plan Termination Fee – $75
- Delinquent Account Collection Fee – 25% of the outstanding debt

**Tuition Refund Policy for Dropped or Cancelled Courses**

Please refer to the Financial Aid portion of this handbook for information about how financial aid refunds are affected by dropping or cancelling courses. Students who become eligible to receive a refund as a result of a dropped or cancelled course will be refunded according to the original method payment. Students who paid tuition by Wire Transfer or Western Union will be refunded in the form of a check, unless otherwise requested. JHU employees who used Tuition Remission benefits, and then drop a course will have the remission benefit reversed at 100%. Tuition Remission does not cover tuition costs for any course which is not completed. (Please see benefits.jhu.edu/tuition/reimbursement.cfm for more information.) All fees are non-refundable unless a course is cancelled and it is the only course for which the student is registered.

**University and Carey Business School Policies**

**The Johns Hopkins University Anti-Discrimination and Sexual Misconduct Policies and Procedures**

The University does not discriminate on the basis of sex, gender, marital status, pregnancy, race, color, ethnicity, national origin, age, disability, religion, sexual orientation, gender identity or expression, veteran status or other legally protected characteristic. The University’s equal opportunity, anti-harassment, and sexual misconduct policies apply to prohibit discrimination in all academic programs administered by the University, its educational policies, admission policies, scholarship and loan programs and athletic programs. These policies apply to all employment decisions as well. Every member of the Johns Hopkins University community deserves equal access to the abundant educational and employment opportunities available.

The Office of Institutional Equity (OIE) coordinates ongoing efforts to make the campus accessible and to make JHU programs available to everyone. OIE is charged with ensuring compliance with federal, state and local laws related to affirmative action and
equal opportunity; investigates discrimination complaints, including sexual misconduct; provides harassment prevention and disability services training; promotes campus diversity initiatives; and serves as a central resource for faculty, staff and students with disabilities. Complaints of discrimination and harassment based on any legally protected characteristic (including, but not limited to, sexual misconduct complaints) may be brought to OIE:

Statement of Diversity and Inclusion

Johns Hopkins University is a community committed to the values of diversity and inclusion. At the Carey Business School, we firmly believe that excellence is best promoted by creating a community that demonstrates respect for each other, embraces individual differences, and provides opportunities for each individual to maximize his or her potential. We actively seek to ensure that many different opinions and beliefs, communicated in a respectful manner, are part of and enrich our professional, educational, and personal experience. Every member of our community will be responsible for creating a welcoming environment for all.

Accommodations for Nursing Mothers

In keeping with the Fair Labor Standards Act, all students who breastfeed their child (referred to as “nursing mothers”) will be provided access to a private area.

The area provided will be made available when needed by the student. To reserve a private area please send your name, JHED ID, and date needed to:

For Harbor East room reservations, please contact carey.operations@jhu.edu

For Washington, D.C., reservations, please contact support@sais.zendesk.com

Private Area for Prayer/Meditation

Please contact carey.operations@jhu.edu

Policy on Film and Photography Rights

The Johns Hopkins University reserves the right from time to time to film or take photographs of faculty, staff, and students engaged in teaching, research, clinical practices, and other activities, as well as casual and portrait photography or film. These photographs and films will be used in such publications as catalogs, posters, advertisements, recruitment and development materials, as well as on the university’s website, for various videos, or for distribution to local, state, or national media for promotional purposes. Classes will be photographed only with the permission of the faculty member.

Such photographs and film—including digital media—which will be kept in the files and archives of The Johns Hopkins University, will remain available for use by the university without time limitations or restrictions. Faculty, students, and staff are made aware by virtue of this policy that the university reserves the right to alter photography and film for creative purposes. Faculty, students, and staff who do not want their photographs used in the manner(s) described in this policy statement should contact the Office of Communications and Public Affairs.
Faculty and students are advised that persons in public places are deemed by law to have no expectation of privacy and are subject to being photographed by third parties. The Johns Hopkins University has no control over the use of photographs or film taken by third parties, including without limitation the news media covering university activities. This policy is online at pages.jh.edu/news_info/policy/photography.html.

Policy on Alcohol and Drug Abuse and Drug-Free Environment

The Johns Hopkins University recognizes that alcoholism and other drug addictions are illnesses that are not easily resolved by personal effort and may require professional assistance and treatment. Faculty, staff, and students with alcohol or other drug problems are encouraged to take advantage of the diagnostic, referral, counseling, and preventive services available throughout the University. Procedures have been developed to assure confidentiality of participation, program files, and medical records generated in the course of these services.

Substance or alcohol abuse does not excuse faculty, staff, or students from fulfilling their employment or academic responsibilities. Individuals whose work or academic performance is impaired as the result of the use or abuse of alcohol or other drugs may be required to participate in an appropriate diagnostic evaluation and treatment plan. Further, use of alcohol or other drugs in situations off campus or removed from University activities that in any way impairs work performance is treated as misconduct on campus. Students are prohibited from engaging in the unlawful possession, use, or distribution of alcohol or other drugs on University property or as a part of University activities.

It is the policy of Johns Hopkins University that the unlawful manufacture, distribution, dispensation, possession, or use of controlled substances is prohibited on the University property or as a part of University activities. Individuals who possess, use, manufacture, or illegally distribute drugs or controlled dangerous substances are subject to University disciplinary action, as well as possible referral for criminal prosecution. Such disciplinary action of faculty and staff may, in accordance with the University policy on alcohol abuse and maintenance of a drug-free workplace, range from a minimum of a three-day suspension without pay to termination of University employment. Disciplinary action against a student may include expulsion from School.

As a condition of employment, each faculty and staff member and student employee must agree to abide by the University’s Drug-Free Workplace Policy, and to notify the divisional human resources director of any criminal conviction related to drug activity in the workplace (which includes any location where one is in the performance of duties) within five days after such conviction. If the individual is supported by a federal grant or contract, the University will notify the supporting government agency within 10 days after the notice is received. This policy can be viewed at hrnt.jhu.edu/pol-man/appendices/sectionE.cfm
Privacy Rights of Students (FERPA)

Notice is hereby given that the Carey Business School of the Johns Hopkins University complies with the provisions of the Family Educational Rights and Privacy Act of 1974 (P.L. 93-380), as amended, and regulations promulgated there under. Eligible students, as defined in the regulations, have the right: (1) to inspect and review their education records, as defined in the regulations; (2) to request the amendment of their education records if they are inaccurate, misleading, or otherwise in violation of the student’s rights; (3) to consent to the disclosures of personally identifiable information in their education records except to the extent permitted by law, regulation, or University policy; and (4) to file a complaint with the U.S. Department of Education if the University has failed to comply with the requirements of law or regulation.

The University’s policy on Family Rights and Privacy is published periodically in the Johns Hopkins Gazette. The policy is available online at jhu.edu/assets/uploads/2017/01/ferpa.pdf or from the Office of the Registrar (carey.jhu.edu/life-at-carey/office-of-the-registrar/).

Retention of Records

The academic record includes all documents related to an individual student such as application for admission, letters of recommendation, etc., as well as the record of academic performance commonly referred to as the transcript.

- Retention of student records is dependent on an individual’s student status within the Carey Business School.
- Records for individuals who are denied admission are retained for a period of one year.
- Records for students who are admitted to a program but do not register for courses are retained for a period of one year.
- Records for students who are admitted to a program, enroll, but do not complete the program and do not graduate are retained for six years after the last term of enrollment.
- Records for students who are admitted to a program and graduate from that program are retained permanently.

Transcript records are archived permanently in the Office of the Registrar. Documentation pertaining to registration is held only for a period of five years. If any questions should arise regarding documentation of enrollment in a course beyond that five-year period, it will be the student’s responsibility to produce proper documentation to support any claim for a change to their record.
General Requirements

The following requirements apply to paper and electronic records:

• Authorization. Only individuals with a “need to know” are authorized to access the student SSN. These individuals are to receive appropriate on-line privacy training and sign a confidentiality statement prior to receiving the student SSN.

• Document Handling and Storage. Documents containing the student SSN are not to be distributed to or viewed by unauthorized individuals. Such documents are to be stored in secured cabinets and locations. In high traffic areas, such documents are not to be left on desks or other visible areas.

• Disposal. The student SSN stored in either documentary or electronic formats is to be destroyed (e.g., shredding papers, wiping electronic files, etc.) prior to disposal.

• Current and Future Records. JHU will insert in all student records in the new information systems (SIS and HopkinsOne) new primary identifiers. Until those numbers are available it is acceptable to use the last four digits of the student SSN as a secondary identifier.

• Historical Records. The student SSN is included in archived databases and in imaged documents. Such historical records cannot be altered. All records and files containing student SSN data are to be considered sensitive information and must be handled and stored accordingly.

• Acceptable Release to Third Parties. JHU may release a student SSN to third parties as allowed by law, when authorization is granted by the individual student, when the Office of the General Counsel has approved the release (e.g. subpoenas) or when the authorized third party is acting as JHU’s agent and when appropriate security is guaranteed by the agreement (e.g., National Student Loan Clearinghouse, financial institutions providing student loans or other financial services to students, and student-designated entities receiving a student academic transcript).

Requirements for Electronic Data

“SSN Data” include any aggregation or collection of JHU student SSN stored, processed or transmitted in an electronic format. Examples of these include: enterprise databases, small databases such as MS Access, Web pages, email, spreadsheets, and tables or lists in word processing documents.

1. Student SSN Transmission by Email, Instant Messaging, Etc. SSN Data may not be transmitted (e.g., email, instant messaging) to parties outside JHU without
appropriate security controls. Generally, such controls include encryption and authentication of recipients (e.g., password protection of files). Great care is to be taken to ensure that emails are sent only to intended recipients.

2. Student SSN Transmission by Fax. A student SSN may not be faxed except as required by law or as part of an essential administrative process (e.g., financial aid, tax reporting, and transcripts). In such cases, reasonable and appropriate security controls must be established and maintained to protect confidentiality (e.g., verifying fax numbers; cover sheets; marking documents as confidential; including sender phone number).

3. Storage of Student SSN Data. JHU student administration databases and datasets may not store or otherwise maintain a student SSN, except as required for government reporting or other specific business purposes. Carey Business School leadership is responsible for:
   a. maintaining an up-to-date inventory of SSN databases and datasets
   b. minimizing the use of SSN (including use of substitutes such as partial SSN and the Hopkins unique Identifier)
   c. documenting security controls and risk remediation

4. Administrative Research with SSN Data. Electronic data maintained for institutional research, enrollment planning, and University planning are considered to be administrative research data for the purposes of this policy. Administrative research databases or datasets may continue to store or otherwise maintain student SSN so long as divisional leadership is responsible for:
   a. maintaining an up-to-date inventory of SSN databases and datasets
   b. minimizing the use of SSN (including use of substitutes such as partial SSN and the Hopkins unique Identifier)
   c. documenting security controls and risk remediation

5. Academic Research with SSN Data. Research databases that include student SSN as a data element must be disclosed by the investigator to the appropriate institutional review board. Researchers are responsible for:
   a. maintaining an up-to-date inventory of SSN databases and datasets
   b. minimizing the use of SSN (including use of substitutes such as partial SSN and the Hopkins unique identifier)
   c. documenting security controls and risk remediation

Software Use Guidelines

Whether you buy software from an outside vendor or from Information Technology at Johns Hopkins (IT@JH), you acquire a license to use it. You do not own it. You acquire the license either from the company that owns the copyrights, or from IT@JH, which has made arrangements with the company to distribute a set number of copies.

IT@JH makes software available to JHU departments through various bulk purchases and site license agreements. In most cases, departments that purchase software from IT@JH via bulk purchases and/or site license agreements are able to place a copy of that software on one machine that is owned by the university. However, software agreements vary, and patrons should adhere to the terms and conditions specified by each individual license.

Restrictions on the use of software are far from uniform. You should carefully examine each piece of software and the accompanying documentation. Unless it is explicitly permitted, you do not have the right to make copies of software for others, or receive and use copies of software from others. The university reserves the right to refuse to defend any faculty, student, or staff member who engages in any alleged infringement activity. In other words, you are responsible for ensuring the appropriate use of any software in your possession. As a consequence of this policy, IT@JH employees are forbidden to install software for which ownership cannot be clearly demonstrated.

If you have any questions about the distribution of a software product, contact IT@JH, the software developer or publisher, or the Office of the General Counsel at 410-516-8128.

Student Social Security Number Protection and Use

In 2003 Johns Hopkins University (JHU) issued to its faculty and staff specific guidance for the protection and use of the student’s social security number (SSN).

This policy statement clarifies and extends that prior guidance. University-wide implementation of this policy, which applies to the entire JHU community, is guided by the following objectives and needs:

1. Broaden awareness about the confidential, protected nature of the student SSN.
2. Reduce reliance on the student SSN for identification purposes.
3. Establish consistent University-wide and divisional student SSN protection and use policies and practices.
4. Increase student confidence surrounding handling of their SSN.

This policy can be found at pages.jh.edu/news_info/policy/ssnuse.html.

IN ADDITION TO THE JOHNS HOPKINS UNIVERSITY POLICIES LISTED PREVIOUSLY, ALL STUDENTS ARE REQUIRED TO ABIDE BY THE FOLLOWING CAREY BUSINESS SCHOOL POLICIES.

Grievance Policy

The grievance policy for the Johns Hopkins Carey Business School (CBS or School) is established for current students and former students within one year of the date of graduation, withdrawal or dismissal (each, a “grievant”). The Dean of the Carey Business School serves as the final reviewer and adjudicator of grievances and may initially delegate grievances and other related issues to an Ad Hoc Committee to provide further facts and recommendations for the Dean’s final decision.

1. Introduction

A grievant may initiate a grievance for an adverse action or failure to act, or for a violation of University or School policy. Typically, a complaint or dispute is brought to the attention of the faculty member, staff member, or Associate/Vice Dean and is resolved through discussion and mutual agreement between the parties involved. In many instances, grievances are resolved informally without implementing the formal grievance procedure. Any student who wishes to seek resolution of a grievance through the informal process is encouraged to contact his/her academic advisor for the informal grievance procedure. This is an available but optional way to potentially resolve a grievance without a formal process. A formal process exists in the event that mutual agreement cannot be reached through discussion and informal procedures. The formal procedure is not meant to supplement attempts at resolving grievances or other complaints through informal means. When at all possible, complaints and disputes should be settled at the lowest possible level through informal discussion, though there are no circumstances under which a grievance must be settled informally.

The procedures presented here are to be applied only after every effort has been made to settle disputes informally. Whether settled informally or formally, the grievance procedure should move expeditiously without sacrificing the integrity of the process. Nothing in this document should be construed to impinge upon the responsibilities of any office and/or regularly constituted body of the University. Moreover, no action may be taken with respect to a grievance that would conflict with or modify any policy approved by the Board of Trustees of the University, any policy of the University or CBS, or any federal, state, or local law or regulation, or any contract to which the University is a party.
In the case of a formal grievance, written communication (including all details and supporting documents) should be sent to:

Johns Hopkins Carey Business School, Office of the Dean
Suite 1202, 100 International Drive, Baltimore, MD 21202.

In the sole case of a formal grievance against the Dean, written communication (including all details and supporting documents) should be sent to:

Office of the Provost, 265 Garland Hall,
3400 N. Charles Street, Baltimore, MD 21218.

2. Definitions

A grievance is a complaint that alleges a person has been adversely affected in his/her professional or educational activities within CBS as a result of an arbitrary or capricious act, or failure to act, or a violation of a University or School procedure by a faculty member, staff supervisor, or other administrator or administrative body.

A grievant is a person defined in the first paragraph above who brings a grievance pursuant to this procedure.

An Ad Hoc Committee, selected by the Dean may be selected to hear any grievance if the Dean requires additional insights to aid in reaching a decision. The Ad Hoc Committee shall consist of at least one member of the advising staff, one member of the Management Council other than the Dean, and one faculty member. Additional staff, faculty, or other subject matter experts from the School or University may be added at the Dean’s discretion. The members of the Committee shall be made known to the grievant. If the grievant believes that any member of the Ad Hoc Committee has a conflict of interest, he or she may make a request to the Dean that the individual not participate. Any such request should include a description of the alleged conflict. The decision of the Dean as to membership of the Ad Hoc Committee is final.

3. Limits on Scope of Policy

Complaints alleging discrimination or harassment on the basis of race, color, gender, religion, age, sexual orientation, national or ethnic origin, disability, marital status, or veteran status are to be referred to the University’s Office of Institutional Equity, and are not addressed by this procedure.

Disputes that are purely personal in nature and do not involve professional or educational activities are not addressed by this procedure.

A complaint pertaining to issues within the purview of any other committee or administrator or policy or procedure of the University or CBS are not addressed by this procedure, unless the complaint arises from a committee's or administrator’s alleged
failure to act on or comply with a properly issued directive by the or administrator pursuant to a policy or procedure of the University or CBS.

Disputes involving grades or other evaluation of academic work (excluding probation decisions) may be addressed by this procedure only if the applicable official evaluation procedure is alleged by the grievant to have been conducted in an arbitrary or capricious manner.

Grievances that are subject to the procedures outlined in the Johns Hopkins Personnel Policy Manual are not addressed by this procedure.

4. Procedures

a. In the event that informal discussion fails to resolve a dispute, the grievant may initiate formal grievance procedures. The formal grievance must be submitted to the Office of the Dean in writing, signed and dated by the grievant. The statement should include (1) a factual description of the complaint or dispute resulting in the grievance; (2) the name of the person(s) against whom the grievance is initiated; (3) a brief description of all informal attempts at resolution; and (4) any other information that the grievant believes to be relevant or helpful. The grievant should attach to the written complaint a copy of any relevant documentation in his/her possession.

b. All grievances will be handled as confidentially as possible. The grievant is cautioned that initiation of a grievance is a serious matter and must not be undertaken in bad faith or over trivial matters. If a grievance is found to have been maliciously motivated or based on false evidence, the Dean may take appropriate disciplinary action against those responsible. If the grievance, however incorrect or unsupportable, is initiated in good faith, no disciplinary action will be taken against the grievant and appropriate measures will be taken to protect the grievant from retaliation. A grievant may formally withdraw their grievance in writing to the Office of the Dean, however the University or the School may still pursue the matter in its own interests.

c. Upon receipt of the written grievance, if there is a grievable issue, the Dean will review the matter and consider whether informal attempts at resolution should be initiated or reinitiated. If the Dean finds that attempts at informal resolution have been exhausted and/or are unlikely to lead to resolution, the Dean will act directly on the grievance or establish an Ad Hoc Committee to provide an initial review, fact finding, or recommendation to resolve the matter. If the Dean establishes an Ad Hoc Committee to review the grievance, the Ad Hoc Committee will assemble all relevant documentation and facts.
The Ad Hoc Committee will notify the person(s) against whom the grievance is filed, and will provide them a copy of the grievant statement. The Ad Hoc Committee will assemble all relevant documentation and facts. It may interview and take statements from witnesses, request information in writing from the grievant and respondent(s), convene a hearing, and/or invite the grievant, respondent and/or other witnesses to come before the Ad Hoc Committee. On the basis of the assembled information, the Ad Hoc Committee will attempt to identify a resolution of the grievance in a manner appropriate to the circumstances and report to the Dean.

d. The Dean must receive a summary of the Ad Hoc Committee’s findings (with any dissention indicated) and have an opportunity to consult with the Ad Hoc Committee.

e. The Dean will issue a written determination of the grievance to the grievant within thirty days (30) of the recommendation of the Ad Hoc Committee or for cases in which the Dean acts directly without an Ad Hoc Committee, within thirty (30) days of the date of receipt of the grievant’s complaint.

f. The decision of the Dean (or Provost in the case of a grievance against the Dean), will be the final University action in this matter.

This policy may be updated at any time and the current policy will be posted at carey.jhu.edu/students/student-resources/university-and-school-policies/

**Involuntary Leave of Absence and Condition of Enrollment (COE) Policy**

For purpose of this policy, the term Vice Dean means the Vice Dean for Education of the Johns Hopkins Carey Business School or designee.

1. **Introduction**

The University is committed to fostering a learning environment that enables students to thrive and participate fully in academic life. There are, however, occasions when a student’s health interferes with his or her ability to take part in the academic community, and at such times the School provides the opportunity for the student to initiate a leave of absence. For instance, a student’s mental or emotional health, medical condition, or inappropriate behavior or communication may necessitate a leave of absence or placement of conditions on continuing enrollment. The guidelines and procedures described herein are not intended to address such instances, for which long-standing policy exists. Rather, these guidelines and procedures shall apply in those extraordinary circumstances when a student has not or cannot voluntarily address the issues of concern.
2. Guidelines for use

   a. Involuntary Leave of Absence

   In situations when a leave of absence is indicated, the Vice Dean or designee will encourage the student to initiate a voluntary leave of absence. If the student declines to do so, the Vice Dean or designee may require an involuntary leave of absence. This step will be taken when necessary to protect the safety of the student or other individuals or to preserve the integrity of the University’s learning environment. Such a decision may be based on behavior and/or communication that:

   • Harms or threatens harm to the health or safety of the student or others;
   • Causes or threatens to cause significant damage to the property or resources of the University;
   • Evidences chronic and/or serious drug or alcohol abuse;
   • Significantly disrupts the functioning of the University community; and/or
   • Reflects disorganized or altered thinking incompatible with successful participation in the academic program.

   b. Condition of Enrollment (COE)

   When circumstances indicate that a leave of absence is not appropriate, the Vice Dean or designee may nevertheless impose certain conditions as a requirement of continued enrollment. This step will be taken only after consultation with those responsible for oversight of the student’s program of study.

3. Procedure

   When the Vice Dean or designee becomes aware, by whatever means, of the potential need for action, the following procedures will be initiated:

   a. The Vice Dean or designee will contact the student and describe the issues of concern. If this discussion alleviates all concerns, no further action is needed. Alternatively, procedures outlined below may also be initiated.

   b. The Vice Dean or designee may mandate a mental health or physical evaluation of the student. The Vice Dean or designee may also specify conditions under which the student is allowed to remain at the University. Such conditions will be developed in consultation with others charged with oversight of the student’s academic program and the Director of the Student Assistance Program. The Vice Dean or designee will provide written notice to the student when such conditions are mandated.
c. If a leave of absence is indicated, and if the student so agrees, procedures governing voluntary leaves of absence shall apply.
d. When a leave of absence is indicated and the student declines to accept a voluntary leave, the Vice Dean or designee will discuss the implications of an involuntary leave of absence. If the student continues to decline, the Vice Dean or designee will initiate an involuntary leave of absence after consultation with those charged with oversight of the student’s academic program and the Director of the Student Assistance Program. In urgent situations, the Vice Dean or designee may initiate an involuntary leave of absence immediately.

Under these circumstances, such consultation will be undertaken promptly thereafter. When an involuntary leave is imposed, the Vice Dean or designee will provide the student with written notification to this effect. This notification will outline the steps required for re-entry into the academic program and also note other pertinent information regarding the student’s status while on leave.

4. Re-entry

A student seeking re-entry to the curriculum after a voluntary or involuntary leave as described under this policy will undergo a “fitness for return” evaluation by the Student Assistance Program and/or the appropriate health service (University or Occupational Health Services). Upon re-entry, the Vice Dean or designee may impose conditions under which the student will be allowed to remain at the University (as described in Section III B). The Vice Dean or designee will provide written notice to the student when such conditions are instituted.

5. Confidentiality

All records related to student leaves of absence and conditions placed on continuing enrollment will be maintained in accordance with applicable law and policy.

Program Continuity and Completion

A student must be continuously enrolled in his or her program. Any student not enrolling and successfully completing courses at the Carey Business School for a period of one year or more must petition to restart their program. In addition, a student must complete all program requirements within six years of starting their first course at the Carey Business School. Any student not completing their program within six years must petition for an extension.
Recording and Non-class Use of Class Materials

Unless explicitly allowed by the instructor, course materials, class discussions, and examinations are created for and expected to be used by class participants only. The recording and rebroadcasting of such material, by any means, is forbidden. Violations are subject to sanctions under the Honor Code.

Unaccompanied Children Policy

In order to promote a strong learning environment and the safety of the children of Carey students, Carey students may not bring children, ages 0-17 years, to the Carey campuses without adult supervision. Children may not attend classes with a Carey student unless pre-arranged by an instructor for curriculum purposes. Children must be supervised at all times, and maintain a quiet and respectful presence that does not interfere with the learning environment. The Carey Business School is not responsible for the welfare of unsupervised children, and any child left unsupervised or whose behavior does not meet the above expectations will be asked to leave the campus with his/her related Carey student and/or caregiver.

Veterans Assistance

Johns Hopkins is approved by the Maryland Higher Education Commission for training veterans and their beneficiaries under provisions of the various federal laws pertaining to veterans’ educational benefits.

Information about veterans’ benefits and enrollment procedures may be obtained from the Department of Veterans Affairs at benefits.va.gov/benefits.

Students eligible for veterans’ educational benefits register and pay their University bills in the same manner as non-veteran students. Reimbursement is made by the Department of Veterans Affairs. The amount of reimbursement is determined by the veteran’s tuition costs and benefit eligibility.

Initial Enrollment

1. The veteran applies for his or her VA education benefits through ebenefits.va.gov/ebenefits/homepage.

2. The veteran must apply and be admitted to one of the programs of the Johns Hopkins Carey Business School carey.jhu.edu/admissions.

3. Once the VA education benefits application is processed, a copy of the Certificate of Eligibility (COE) or screenshot of Education Enrollment Status from eBenefits must be provided to the certifying official at Johns Hopkins Carey Business School at the following address:
4. Once the COE is received, the certifying official confirms acceptance and enrollment for the JHU program. Students must request to be certified prior to every semester they wish to receive benefits. Using the VA-ONCE system for payment disbursement, enrollment data is provided for payment according to the requirements of the Department of Veteran Affairs. If you have any questions regarding payment contact the VA at 1-888-442-4551.

Note: Regular, semester-long courses; i.e., courses meeting regularly for the entire length of the semester, will be certified as one certification with the Department of Veterans Affairs. Any course that meets for a compressed period, for example, fall 1 term vs. the entire fall semester, is required by the Department of Veterans Affairs to be certified separately and generally has a different time status assigned that could affect benefits. Contact the School Certifying Official in the Office of the Registrar at carey.veteran@jhu.edu with any questions about these types of certifications.

Transfers

When transferring from another college or university, the veteran must obtain a Request for Change of Program or Place of Training (VA Form 22-1995) from the Department of Veterans Affairs by logging into the online application as mentioned above. A copy of the completed form must also be submitted to the School Certifying Official.

Re-Enrollment

A student who received veteran’s benefits while attending the University during the preceding fall or spring semester and who plans to re-enroll with no change of objective needs only to advise the certifying official in the Office of the Registrar when submitting registration materials that re-certification under the provisions of the original VA form 22-1990 is desired.

Students receiving veteran’s benefits must pursue a program of courses that leads to the exact objective (normally a degree or certificate) indicated on the original VA application. Any change in program or objective requires the student to submit a Request for Change of Program (VA Form 22-1995) to the VA.

Veterans are required to immediately advise the certifying official in the Office of the Registrar at 410-234-9250 or carey.veteran@jhu.edu regarding any change in their
program or status that might affect the amount of their monthly payment from the VA. Failure to do so causes the Department of Veterans Affairs to seek restitution from the veteran of a resulting overpayment of benefits.

**Student Veterans Network**

The purpose of the Carey Student Veterans Organization is to foster a community focused on providing support and advocacy for students of the Carey Business School who are Veterans of the Armed Forces for the United States or are family members of Veterans.

**Yellow Ribbon Benefits**

Carey Business School participates in the Yellow Ribbon program. For the academic year 2017-2018, Carey supported 25 scholarships in the amount of up to $5,000 each. The VA matches the award with an additional up to $5,000. For more information on the Yellow Ribbon program, contact the School Certifying Official at 410-234-9250.

**Waiver Exams (available to part-time students only)**

The Carey Business School anticipates that students will complete all required coursework and credits needed for completion of the degree (or certificate) at Johns Hopkins University. Part-time students who enter Carey with professional work experience and prior completed course work at the undergraduate level in the following areas: Statistical Analysis, Marketing Management, or Accounting & Financial Reporting may request a course waiver.

Part-time students seeking a course waiver must have a B+ or better in the completed course and pass a waiver exam offered at the Carey Business School prior to enrolling in the course, and within the first semester of study at Carey. A maximum of 6 credits may
be waived with the aforementioned criteria. Students who seek to take a waiver exam must notify their academic advisor. The exam will be administered by the academic program (in collaboration with the advising and student development teams at Carey). The waiver exam may be taken only once in any course area. Waiver exams must be completed in-person at Carey. Online students who live outside of the Maryland, DC, and Virginia areas may request access to an online waiver exam which will be administered in Blackboard under test proctoring conditions. All determinations regarding the grade for the exam (pass or fail) are final and not eligible for appeal. Courses that are waived by final exam will not reflect a grade on the transcript. Students who pass the waiver examination must complete the equivalent number of credits in an advanced course.

**Eligibility, Exam Format and Student Preparation**

Students have the option of either completing the courses or waiving the course by passing the waiver exam. Waiver exams in each discipline may be taken only once.

- Students are encouraged to take waiver exam(s) prior to the beginning of their first semester and must take all waiver exams before the end of the first semester.
- Students who pass the waiver exam are exempt from taking the course but must complete the equivalent number of credits in an advanced course within their program.
- Time allotted for each exam is two hours.
- Minimum passing score for all proficiency exams is 75%.
- Study guides for each exam are available on Blackboard on the left column under individual disciplines.

**Registering and Scheduling an Exam**

Waiver exams are administered two times a year—in January and in August. Students must complete registration and scheduling seven to ten days before the exam is administered. Students should call to schedule their testing appointment as early as possible.

To register, students must submit a registration form or register online, and submit a non-refundable payment of $100 (fee subject to change without notice) per exam to the Office of the Registrar. (If the student is not registered for any courses that semester, the student will also be required to pay an additional one-time per semester registration fee.) Any questions pertaining to registration for waiver exams should be directed to the Office of the Registrar at 410-234-9250. Students who are paying with JHU tuition
remission should contact their Human Resources Office for clarification regarding the pass/fail policy.

Please note the following:

- Waiver exams are to be taken during the semester in which registration occurs.
- If a student is unable to reschedule an exam, an add/drop form (dropping the scheduled waiver exam) must be submitted to the Office of the Registrar.
- Registration for waiver exams does not carry over to the next semester. Semesters are defined as: August (fall) and January (spring).
- To schedule a day and time to take the exam, please contact Student Services at 410-234-9240 or email carey.student@jhu.edu.

FULL-TIME PROGRAMS

Global Master of Business Administration

The Global MBA is a full-time, two-year, cohort program that encompasses all aspects of business knowledge and skills in an innovative, interdisciplinary curriculum. The program is designed for people from a diversity of academic and experience backgrounds.

The key tenets of the Global MBA program are:

EXPERIENTIAL. Students in the MBA will have the opportunity to learn by doing. While key business fundamentals are taught in a more traditional classroom environment, the project work at the core of the program helps students bridge theory with reality and get a sense of how complex issues are solved in the real world.

ENTREPRENEURIAL. Innovation and creativity are hallmarks of the program. There is great emphasis on creating new approaches and solutions to critical business and social issues.

INTERNATIONAL. The program recognizes that nearly all business is now international business and brings together students from around the world to think about, discuss and work on some of the world’s major issues.
INTERDISCIPLINARY. The program takes advantage of the many outstanding departments and divisions within Johns Hopkins University to create a learning environment that brings together scholars, teachers and researchers from many different disciplines. This interdisciplinary approach provides insights and perspectives that aren’t possible otherwise.

PROGRAM REQUIREMENTS*

This unique program consists of a curriculum that is interdisciplinary, as well as two experiential learning projects, Innovation for Humanity, an international consulting project, and Discovery to Market. Second-year elective courses offer students the opportunity to specialize in an industry vertical, such as Health Care Management and/or an academic discipline such as Marketing. The program requires 54 credits and is completed in two years. Course waivers are not granted in this program.

CURRICULUM
All courses are 2 credits unless otherwise noted.

*Note: A committee at the Carey Business School is working on redesigning the Global MBA curriculum; the current curriculum that follows is tentative and subject to change.

Master of Science in Health Care Management

The Master of Science in Health Care Management prepares students to assess and act on opportunities to innovate and improve productivity in the health care sector. The program is unique in its breadth, in recognition of the fact that the health care sector is large and diverse, comprising a variety of actors in multiple industries including providers (clinics, hospitals, health care services companies), payers (public and private insurance, social insurance), innovators (pharmaceutical manufacturers, device makers, software and hardware makers), and the institutions that impact them (regulators, civil service, civil society, advocacy groups, foundations, and funders).

This is the only business school degree program in the world that can harness the resources, reputation, and experience of Johns Hopkins University and its top-ranked schools of Medicine, Nursing, and Public Health.

The MS in Health Care Management program provides students with the most relevant business skills to be effective and efficient leaders who will improve the quality and access to health care at appropriate cost in light of the regulatory, cultural, and ethical context of the relevant health care ecosystem.

The rigorous curriculum of the MS in Health Care Management program at the Johns Hopkins Carey Business School enables students to:

- Apply the most relevant business skills and principles, and make informed decisions based on this knowledge.
- Gain an in-depth understanding of complex health care issues in order to lead and change enterprises.
- Develop the knowledge, confidence and judgment to anticipate needed changes in a dynamic industry.

Master of Science in Information Systems

Information systems and technologies are revolutionizing the way we live and work. The rapid pace of technological advances requires a new generation of talented and tech-savvy business leaders who possess a framework of foundational knowledge to anticipate change and recognize opportunities for true business value from adapting new technologies. The Carey Master of Science in Information Systems (MSIS) prepares students to lead IT initiatives aimed at organizational success, providing secure infrastructure platforms and breakthrough strategic advantage.

The Master of Science in Information Systems (MSIS) is designed for:
- IS professionals who want to advance into leadership roles in their organizations or start their own business or consultancy
- Business professionals who want to leverage their expertise in functional areas, recognizing that advances in IT are changing every part of an organization
- Recent graduates who want to learn how information and related technologies can be decisive factors for organizations to succeed in the global marketplace.

The MSIS curriculum reflects the latest IS research and industry best practices.

The program bridges technology and business: big data, predictive analytics, cloud strategy, cybersecurity, telecommunications, mobile platforms, enterprise architecture, decision models, supply chains, and project management. The MSIS core spans the foundational breadth of IS, from hands-on experience with web services to high-level IS strategy. Elective courses provide students the flexibility to specialize the program to address personal and career objectives.

**Master of Science in Real Estate and Infrastructure**

The Edward St. John Real Estate Program offers a Master of Science in Real Estate and Infrastructure degree that provides students with a comprehensive understanding of real estate finance, investment, development, management, and capital markets.

The full time Master of Science in Real Estate and Infrastructure program is guided by a faculty composed of Johns Hopkins professors and of Real Estate practitioners from the region’s leading investment, development, planning, law and architectural firms. A supportive network of alumni and business professionals is available to students throughout their 12-month course of study.

The full-time program is designed to be completed in a one-year (12-month) period for students who are prepared to be challenged by a fast pace and heavy course load. The program is ideal for real estate professionals with fewer than eight years of experience. Foundation, core, and elective courses are offered at the Washington, DC campus. Elective courses are offered in the day, evening, and on Saturdays. Students may choose to structure their Real Estate and Infrastructure Capstone to provide hands-on industry experience.

**PROGRAM REQUIREMENTS**

The Master of Science in Real Estate and Infrastructure program consists of 36 credits. The core curriculum integrates the study of the major disciplines that influence real estate decisions: market analysis, law, construction, investment analysis, finance, and development.

Throughout the program of study, a series of mandatory fieldtrips and workshops will be scheduled (both during the week and on Saturdays). Workshop sessions include: Excel for Real Estate Professionals, Becoming an Excel Power User, Presentation Skills, Statistics and Finance boot camps, and ARGUS software. Additional information will be available at the beginning of each semester.
Course waivers are not granted in this program.

Carey REAF—Real Estate Alumni Forum, a Relationship and Business Network

The JHU Carey Business School Real Estate Alumni Forum—known as Carey REAF—promotes and facilitates relationship building between students, alumni, faculty, Advisory Board members, and real estate industry leaders. Educational and social events are held regularly in addition to events hosted by local, regional, and national real estate professional organizations.

PART-TIME PROGRAMS

Master of Business Administration

The Flexible MBA is designed for people with full-time work experience in private sector, governmental, or public sector organizations. The program emphasizes the latest concepts, practices, and skills that professionals need to be effective managers and leaders in a wide variety of organizations. Applicants to the Flexible MBA have the option of pursuing their degree onsite, online or in a combination of onsite and online.

Students enrolled in the online only Flexible MBA program will be required to take three weekend residency courses to complete their degree. These weekend residency courses will be held at the Carey Business School’s Harbor East campus in Baltimore.

PROGRAM REQUIREMENTS

The Flexible MBA curriculum consists of Business Foundations courses, concentration core and elective courses, and non-concentration electives. Students declare a concentration upon entering the program, but may change their concentration by contacting their adviser. In the event that a student declares two concentrations and there are shared courses between the two concentrations, only one course to will count twice for concentration requirements.

Concentration areas include:

- Enterprise Risk Management
- Entrepreneurship
- Financial Businesses (Also available through online course format)
- Health Care Management (Also available through online course format)
- Information Systems
- Interdisciplinary Business
- Leading Organizations (Also available through online course format)
- Marketing
- Real Estate and Infrastructure
Course scheduling allows for completion of the program in three years. Students must complete the required 54 graduate credits within six years. A waived course must be replaced with an equivalent number of credits in an advanced course.

**CURRICULUM**
All courses are 2 credits unless otherwise noted.

Master of Science in Health Care Management

The Master of Science in Health Care Management prepares students to assess and act on opportunities to innovate and improve productivity in the health care sector. The program is unique in its breadth, in recognition of the fact that the health care sector is large and diverse, comprising a variety of actors in multiple industries including providers (clinics, hospitals, health care services companies), payers (public and private insurance, social insurance), innovators (pharmaceutical manufacturers, device makers, software and hardware makers), and the institutions that impact them (regulators, civil service, civil society, advocacy groups, foundations, and funders).

This is the only business school degree program in the world that can harness the resources, reputation, and experience of Johns Hopkins University and its top-ranked schools of Medicine, Nursing, and Public Health.

The MS in Health Care Management program provides students with the most relevant business skills to be effective and efficient leaders who will improve the quality and access to health care at appropriate cost in light of the regulatory, cultural, and ethical context of the relevant health care ecosystem.
The rigorous curriculum of the MS in Health Care Management program at the Johns Hopkins Carey Business School enables students to:

- Apply the most relevant business skills and principles, and make informed decisions based on this knowledge.
- Gain an in-depth understanding of complex health care issues in order to lead and change enterprises.
- Develop the knowledge, confidence and judgment to anticipate needed changes in a dynamic industry.

Master of Science in Information Systems

Information systems and technologies are revolutionizing the way we live and work. The rapid pace of technological advances requires a new generation of talented and tech-savvy business leaders who possess a framework of foundational knowledge to anticipate change and recognize opportunities for true business value from adapting new technologies. The Carey Master of Science in Information Systems (MSIS) prepares students to lead IT initiatives aimed at organizational success, providing secure infrastructure platforms and breakthrough strategic advantage.

The Master of Science in Information Systems (MSIS) is designed for:

- IS professionals who want to advance into leadership roles in their organizations or start their own business or consultancy
• Business professionals who want to leverage their expertise in functional areas, recognizing that advances in IT are changing every part of an organization

• Recent graduates who want to learn how information and related technologies can be decisive factors for organizations to succeed in the global marketplace.

The MSIS curriculum reflects the latest IS research and industry best practices.

The program bridges technology and business: big data, predictive analytics, cloud strategy, cybersecurity, telecommunications, mobile platforms, enterprise architecture, decision models, supply chains, and project management. The MSIS core spans the foundational breadth of IS, from hands-on experience with web services to high-level IS strategy. Elective courses provide students the flexibility to specialize the program to address personal and career objectives.

PROGRAM REQUIREMENTS
The program requires 36 credits. Part-time students must complete the program within six years. Effective Spring 2018, this program will no longer accept application.

The core curriculum integrates the study of the major disciplines that influence real estate decisions: market analysis, law, investment analysis, finance, and development. The part-time Master of Science in Real Estate and Infrastructure program is offered at the Washington, DC and Harbor East campuses with classes held in the evenings and on Saturdays.

PROGRAM REQUIREMENTS

The program consists of 36 credits. A waived course or transferred-in graduate credits must be replaced with an equivalent number of credits in an advanced course. Students must complete the program within six years. In the first semester, optional workshops will be scheduled (usually on Saturdays).

Seats are available on a first come, first serve basis. Session topics include: Excel for Real Estate Professionals, Becoming an Excel Power User, and ARGUS software. Additional information will be available prior to the beginning of the semester.

Dual Degree Programs

MBA/ JD

The MBA/JD program is a dual degree offered by the University Of Maryland Carey School Of Law and the Johns Hopkins Carey Business School to prepare students for complex challenges in business, industry, commerce, government organizations, and the non-profit sector. The dual-degree program will provide a unique opportunity to add another dimension to the educational preparation of students who seek management and leadership responsibilities in legal practice, financing and delivery of legal services, development of new legal services, establishing and managing law firms, as well as pursuing career focused on law and business in national and international organizations and academic institutions. More information is available at carey.jhu.edu/academics/%20 master-of-business-administration/dual-degree-programs/mba-jd.

PROGRAM REQUIREMENTS

Students complete 42 credits towards the MBA, which the Johns Hopkins Carey Business School provides, and will accept 12 credits transferred from University of Maryland Carey School of Law to complete the 54-credit degree. Students complete 76 credits which University Of Maryland Carey School Of Law provides towards the JD and will
accept 9 credits transferred from Johns Hopkins Carey Business School to complete the 85-credit degree. Dual degree recipients receive both diplomas upon completion of both programs.

**ADMISSION**

Applicants need to apply to both programs separately. For more information on University of Maryland Carey School of Law, please visit law.umaryland.edu/academics/program/dualdegree.html.

**MBA/MD**

The Johns Hopkins dual-degree MD/MBA program is structured as a five year academic program, with the students as full-time members of the medical school and the full-time MBA cohort as they progress through the program.

The program is designed to prepare physicians for leadership roles in medicine and in the health care industry. The proposed dual-degree program will give students a unique educational experience through the Genes to Society (GTS) medical school curriculum and the Carey’s full-time Global MBA program. More information is available at carey.jhu.edu/academics/master-of-business-administration/dual-degree-programs/mba-md.

**PROGRAM REQUIREMENTS**

For the Carey MBA program, the students are required to complete 54 credits of the MBA program. Up to 12 credits from the MD electives can be applied to their requirements for the MBA electives, subject to review and approval of the MD/MBA Academic Program Committee. Dual degree recipients receive both diplomas upon completion of both programs.

**ADMISSION**

Students applying to the MD/MBA program will be required to meet the admissions criteria of the JHU School of Medicine and be admitted to the MD program. Once students are accepted by the School of Medicine, they have an opportunity to apply for the MD/MBA program. The applications will be reviewed for business school admission.

**MBA/Master of Public Health**

This unique 22-month, full-time program of study will enable students to integrate the philosophies, functions and competencies of the seemingly disparate fields of public health and business. Students in this program will acquire knowledge and skills in the principles of population-based health as well as finance and management, which will enable them to be effective managers and leaders in health-related agencies and
organizations. Graduates will be able to assess the public health needs of a defined population; develop, analyze and implement targeted health policies and programs; lead the process of change within one’s own organization and community; manage health care organizations to achieve identified goals; and communicate messages to targeted audiences.

More information is available at carey.jhu.edu/academics/master-of-business-administration/dual-degree-programs/mba-master-of-public-health.

PROGRAM REQUIREMENTS
The program requires 127 credits (MPH and MBA based on School of Public Health credit system). Dual degree recipients receive both diplomas upon completion of both programs.

ADMISSION
Applications for the combined degree program must be obtained from and submitted to the Bloomberg School of Public Health and will be reviewed by the admissions committees of both the Johns Hopkins Bloomberg School of Public Health and the Carey Business School. For more information, please visit jhsp.h.edu/academics/degree-programs/master-of-public-health/academic-overview/combined-degrees-and-programs.html.

MBA/MA in Communication
The Hopkins MBA/MA in Communication prepares managers in public and media relations, advertising, crisis communication, organizational development, and risk communication. It provides managers with the knowledge and skills to solve communication problems in the workplace, use new media to transform existing business practices, reach out to media and clientele, and manage corporate images. This program enables communication professionals to expand their knowledge and skills in business and management, preparing them to lead nonprofit, public sector, or commercial enterprises. Students in these degrees complete both the professional managerial education requirements of the MBA and the advanced disciplinary requirements of a specialized MA in Communication. More information is available at carey.jhu.edu/academics/master-of-business-administration/dual-degree-programs/mba-ma-in-communications.

PROGRAM REQUIREMENTS
The program requires 60 credits, 42 credits (30 credits Flex MBA Business Foundation and 12 credits of electives) for the MBA. Course scheduling allows for completion of MBA portion of the program in 30 months. Students must complete the MBA portion
within six years. A waived course must be replaced with an equivalent number of credits in an advanced course. Dual degree recipients receive both diplomas upon completion of both programs.

ADMISSION
Apply to the MBA/MA in Communication through the Johns Hopkins Zanvyl Krieger School of Arts and Sciences. For information, please visit advanced.jhu.edu/academics dual-degree-programs/communication-mba.

MBA/MA in Design Leadership
The MBA/MA in Design Leadership in partnership with the Maryland Institute College of Art (MICA) enrolls students who want to be transformative business leaders at the highest levels by developing a next-generation approach to management and problem solving. Students’ backgrounds are likely to include business management, marketing, engineering, finance, art and design, architecture, fine arts, and other fields. More information is available at carey.jhu.edu/academics/master-of-business-administration/dual-degree-programs/mba-ma-in-design-leadership.

PROGRAM REQUIREMENTS
The MBA/MA in Design Leadership program is an 18 to 20-month, 66 credit program of study (42 MBA credits and 24 MA credits) that allows students to combine the skill sets of a traditional MBA with the design expertise increasingly needed in today’s complex business world. Dual degree recipients receive both diplomas upon completion of both programs.

ADMISSION
Apply to the MBA/MA in Design Leadership through the Carey Business School. For more information, please visit carey.jhu.edu/academics/master-of-business-administration/dual-degree-programs/mba-ma-in-design-leadership.

MBA/MA in Government
The MA in Government/MBA prepares managers to move between the public and private sectors, or work for agencies that span the two. The program combines the public sector management strengths of the MA in Government with the private sector business savvy of the MBA. The MBA/ MA in Government bridges the traditional separation of business leadership and public sector management. Advance your knowledge in government and politics, ethics, global economics, financial theory, and management,
and set yourself apart from the competition in a career that overlaps public and private sectors. More information is available at carey.jhu.edu/academics/master-of-business-administration/dual-degree-programs/mba-ma-in-government.

PROGRAM REQUIREMENTS

The program requires 60 credits, 42 credits (30 credits Flex MBA Business Foundation and 12 credits of electives) for the MBA. Course scheduling allows for completion of MBA portion of the program in 30 months. Students must complete the MBA portion within six years. A waived course must be replaced with an equivalent number of credits in an advanced course. Dual degree recipients receive both diplomas upon completion of both programs.

MBA/MS in Applied Economics

To allow students to better exploit the strong complementary nature between business and economics, the Carey Business School and the Johns Hopkins Zanvyl Krieger School of Arts and Sciences Applied Economics Program have eliminated the overlap between the MS in Applied Economics and the MBA. This enables students to earn both the MS degree and the MBA for fewer courses than if pursued separately.

PROGRAM REQUIREMENTS

The program requires 66 credits, 42 credits (24 credits Flex MBA Business Foundation and 18 credits of electives) for the MBA. Course scheduling allows for completion of MBA portion of the program in 30 months. Students must complete the MBA portion within six years. A waived course must be replaced with an equivalent number of credits in an advanced course. Dual degree recipients receive both diplomas upon completion of both programs.

ADMISSION

Apply to the MBA/MS in Applied Economics through the Johns Hopkins Zanvyl Krieger School of Arts and Sciences. For more information, please visit advanced.jhu.edu/academics/dual-degree-programs/applied-economicsmba.
**MBA/MS in Biotechnology**

The MBA/MS in Biotechnology program teaches fundamental and advanced principles of both business and biotechnology that cover accounting, negotiation, finance, and regulatory and legal matters, as well as biochemistry, biostatistics, and bioinformatics. With a perspective informed both by business and science, students work and learn in a team-oriented cohort. They emerge from the program—offered jointly with the Johns Hopkins Zanvyl Krieger School of Arts and Sciences—possessing the expertise and the confidence to become innovative managers in the biotechnology field. More information is available at [carey.jhu.edu/academics/master-of-business-administration/dual-degree-programs/mba-ms-in-biotechnology](http://carey.jhu.edu/academics/master-of-business-administration/dual-degree-programs/mba-ms-in-biotechnology).

GRADUATE AWARDS

Edward J. Stegman, CPA, Memorial Award

The Edward J. Stegman, CPA, Memorial Award for Excellence in Business Scholarship is named in memory of Edward J. Stegman, founder of Stegman & Company, who taught Business Economics and Accounting at Johns Hopkins University from 1928 until 1945. Since 1975, over 430 high-achieving graduating students have earned this prestigious award. The Award is currently presented to graduating students with the highest GPA in the full-time MBA program, the full-time MS programs, and the part-time graduate programs.
GRADUATE CERTIFICATE PROGRAMS

Graduate Certificate in Business of Health Care (Online only)
Note: This certificate program is no longer accepting applicants.

The Johns Hopkins Business of Health Care Graduate Certificate was designed for two particular types of students:

- Leaders in medicine and health care who lack formal training in business
- Professionals seeking positions in medicine and health care who lack experience, or have not had formal training in leadership

The Business of Health Care Graduate Certificate will provide students with a breadth of information related to health care and medicine from across Johns Hopkins, allowing them to specialize in areas of their choosing based on their electives. Each of the schools will allow students who have completed the certificate program to apply credits earned toward specific degree programs. The choice of the program to which the credits may be applied will be driven in part by the electives chosen.

24/7 Personal Support is available to support students/faculty involved in the Business of Health Care Certificate courses. All courses in this program are online.

Course descriptions for courses offered by other schools within the University are available at sis.jhu.edu/classes. Graduate Certificate in Financial Management

The financial market has evolved dramatically in recent decades through the development of new financial instruments and techniques, integration of global markets, and advancements in information technology. The growth of global financial markets and rapid development of advanced analytical tools make the study of finance increasingly vital. In today’s fast-paced, uncertain economic environment, financial managers require a sophisticated, global understanding of the theory and analytical tools to make the right decision in a particular financial situation.

This certificate program is designed to prepare a student for a career in corporate financial management. This program is designed to give students a broad, thorough, and up-to-date foundation in finance and the practical tools needed to thrive as effective financial managers. The curriculum provides students with a strong foundation in financial theory, as well as technical skills, and a unique opportunity to develop analytical skills and critical thinking abilities by integrating theory into practice.
CERTIFICATE REQUIREMENTS

Students are required to complete the Graduate Certificate in Financial Management within three years. The certificate in Financial Management consists of eight courses (16 credits). All courses are two credits. Course waivers are not permitted for this certificate.

Graduate Certificate in Financial Management or Graduate Certificate in Investments and MS in Applied Economics

Students may pursue an MS Degree in Applied Economics and a Graduate Certificate in Financial Management or in Investments. Those interested, including current students of either school, should apply to the Dual MS Degree in Applied Economics/Graduate Certificate in Financial Management or in Investments through Advanced Academic Programs. The Carey Graduate Certificate in Investments accompanies preparation for the Chartered Financial Analyst (CFA) examination, which is preserved in the Dual Diploma program. Interested students should contact carey.admissions@jhu.edu.

Certificate Requirements

Students have the opportunity to earn both the MS in Applied Economics and a Graduate Certificate in Financial Management or in Investments for a total of 15 courses, eight at Arts and Sciences (Applied Economics) and seven at Carey. Additional information regarding the Graduate Certificate and MS requirements is available at http://carey.jhu.edu/academics/certificate-programs/ms-in-applied-economics-financial-management-or-investments-certificate.

Undergraduate Program

Bachelor of Business Administration

The Bachelor of Business Administration degree completion program harnesses the knowledge, resources, and network of the Johns Hopkins University, giving students access to leading thinkers and influencers in Baltimore, Washington, D.C., and throughout the world. The Bachelor of Business Administration is a two-year program designed for students who have completed their core course requirements and have a desire to understand how the essentials of business impact the economy, society, and...
humankind. The program provides students with skills and resources essential to succeed in the corporate, public, or nonprofit sectors, specifically:

- A thorough understanding of the factors that drive business
- Proficiency in analysis, problem solving, and communication
- Knowledge of core concepts in accounting, finance, information systems, marketing, and management
- Understanding of specialized business areas

Students complete 60 semester hour credits of upper-level coursework with the Carey Business School. The first 60 semester hours or 90 quarter hours of the bachelor’s degree program must be transferred from another regionally-accredited, academic institution. The program provides students with a full set of courses intended to provide a broad educational base in business and related areas. It provides experiences that educate the students with the skills and abilities required in today’s working environment: communication, creativity and innovation, critical thinking, diversity, ethics, information literacy, problem solving and team work.

Business English courses are also available for international students to develop effective verbal and written communication.

The curriculum of the Bachelor of Business Administration addresses complex problems and pursues effective solutions, utilizing a variety of educational approaches including lectures, case studies, presentations, practice assignments, in-class discussions, group work, and hands-on exercises. The continuing seminar series and professional development course provide students the opportunity to learn from seasoned professionals and guest speakers. The senior capstone projects allow students to synthesize their learnings and apply them to real world situations. Students enrolled in the Bachelor of Business Administration program are placed in a cohort group, and follow the curriculum with their fellow cohort students throughout their two year program. Courses are offered during the fall and spring semesters only. Students complete all coursework at the Washington DC Center.

The Bachelor of Business Administration is no longer accepting applicants. All degree requirements will be honored under the curriculum and academic year admitted. The program will conclude in May 2018.

Following is information for students who are completing the program.

Exceptions to the Refund Policy: Students who experience events beyond their control may request an exception to the course refund policy by submitting a General Petition Form to the Registrar’s Office. Petitions must be submitted in the same semester in which the course was taken, and must be accompanied by documentation of the circumstances leading to the request. Students who experience severe medical problems, a death in their immediate family, or who are called into active military duty may receive a 100% refund. Other requests will be reviewed on a case by case basis, and refund amounts (if awarded) will be decided by the Registrar. Petitions are reviewed monthly, and notification of the final decision is sent to the student by email. The General Petition Form can be downloaded at [carey.jhu.edu/uploads/documents/PETFORM2017.pdf](http://carey.jhu.edu/uploads/documents/PETFORM2017.pdf) and mailed with supporting documentation to the Office of the Registrar, Johns Hopkins Carey Business School, 100 International Drive, Baltimore, MD 21202, or faxed to 410-800-4096 or emailed to [carey.registration@jhu.edu](mailto:carey.registration@jhu.edu).

**Full-Time Students**

A full-time student who is academically suspended or receives an honor code violation, and required to leave Carey for a semester or permanently, will not receive a refund for tuition charged at the time of the suspension, during a semester. A prorated portion of the tuition will be applied to future semesters based on the refund schedule for academically suspended students. If a student fails to return or is dismissed permanently, no refund will be given. In instances where a student is receiving federal financial aid, the aid will be recalculated and refunded to the federal government. The student is still responsible for the entirety of the tuition. In order to receive the degree for the full time students program of study, the student must pay the entire published cost of the tuition regardless of the number of terms needed to complete the degree.

*Online classes are also offered in 8 week sessions, and the refund schedule is based on the first day of the term starting at 12:00 a.m. All other refunds correspond to the prorated refund, by week.*
