Join The Student Success Center for Exam Crams to prepare for your final exams.

Led by peer tutors, Exam Crams are group study sessions for some of Carey’s most difficult math courses.

**WHY ATTEND?**

**Improve your knowledge** of key concepts on your final exams.

Review with your peers and **confidently prep** for exams.

**WHEN?**

*See the attached schedule for locations and times

**Instructions**

To prepare for the group study session, please have a list of specific questions or concerns that you would like the tutor to address. This list can include specific concepts, problems, chapter material, etc. Bring your textbook and notes and be prepared to ask questions and take notes. Remember, the tutor will not be lecturing to you, and instead will be guiding your final exam group study session as he or she answers you and your peers’ questions and helps you work through problems.

**SESSIONS**

- Statistical Analysis
- Accounting
- Corporate Finance
- Data Analytics
- Fixed Income
- Derivatives
- Investments

**REGISTRATION**

Please register in advance, as space is limited. See the instructions on the next page for details.
